Supplemental Questions

Please state the reason you want to be a Council Member.

I would like to become a City Council Member because this platform will give me the opportunity to positively impact every resident now and generations to come. I am a Father and Husband that wants to see the best version of Rialto. My faith has led me to a career in servant leadership. These titles and positions that I have earned, have prepared me for this position as a City Council Member.

My experience as an Area Director for the California Teachers Association will help improve communications to our residents. Decades of coaching experience will help with prompt decisions and detailed game plans on how to improve each situation. My time as a Delegate at the National Education Association Representative Assembly prepared me to create and present new measures to be voted on. Currently, as an Activities Director at Carter High School in Rialto, I've worked with large budgets, along with forming partnerships with some amazing Rialto residents including Business Owners, Educators, First Responders, City Workers, School Board Members, Independent Contractors, Parents, Families, and Local Government Leaders that will help bridge social gaps in our community.

These diverse experiences make me a great candidate for a City Council Member.

Have you served or volunteered for other community services? If yes, please explain.

Currently, I serve as a volunteer for Chaplains Eagles within the Los Angeles County Probation Department. We go into the Juvenile halls weekly to speak to the youth about forming a relationship with God. I am a certified CPR, AED, and First Aid Instructor for the Health and Safety Institute. We host CPR training for companies and individuals. I was elected as the Area Director for the California Teachers Association in the High Desert Service Center. I was also chosen to be a Delegate for the National Education Association Representative Assembly. As a delegate, I was able to vote and propose new measures that would be used in schools around the country. I have also worked for the Parks & Recreation Youth, sports, and senior citizen divisions in Redlands and Rancho Cucamonga.

Can you think of any reason a conflict may arise that would prevent you from serving?

No.
