Mayor Pro Tem Ed Scott*

The City Council creates Subcommittees as needed to accomplish the work of the Council. Subcommittees are categorized as either, Standing or Ad Hoc. Subcommittees do not replace the work or decision-making process of the City Council as a whole and are used to provide feedback to staff. Subcommittees enable City staff to obtain early feedback from representative members of the City Council on issues affecting public policy prior to their presentation, as necessary, to the full City Council.

Any discussion or feedback expressed or received at a Subcommittee meeting should not be construed or understood to be a decision by or for the City Council. Further, any feedback the Subcommittee may make to the City Council is based on information possessed by the Subcommittee at the time the feedback is made and may be revised or amended upon receipt by the Subcommittee of additional or newer information.
