

Proclamation

No. 9, Series 2021

Whereas, throughout our Nation's history, our military men and women have answered the call of duty to defend our Nation's independence. These men and women of the United States Military do not serve alone. Standing alongside them are the husbands and wives, parents and children, sisters, and brothers.; and

Whereas, during Military Family Month, we celebrate the military men and women and their families, who make daily sacrifices for our freedom, and we as a Nation, have a responsibility to recognize, protect and defend those men and women that have and will continue to protect and defend the American people, while enduring countless sacrifices.; and

Whereas, Military families exemplify the courage and resolve that define America. We must also protect and support those that must endure multiple deployments and frequent moves, and more. Many of these patriots are often working in the shadows providing ongoing support to their heroes. We must embrace them and bring them out of the shadows and into the light of the American spirit.; and

Now, therefore, I, Deborah Robertson, Mayor of the City of Rialto, along with the City Council, do hereby proclaim the month of **NOVEMBER 2021**, as

"VETERANS AND MILITARY FAMILY MONTH"

and urge residents of Rialto to honor our military families for the tremendous contributions they make in the support of our service members and our Nation.

Deborah Robertson, Mayor
