Re: Security Price Quote for the City of Rialto

Dear Corporal Palmer,

Since 1944 GSSi has provided clients with consistently high-quality professional services with a strong employee commitment while experiencing steady and consistent growth. The following includes the current contracted hourly rate for Security Officers working the City of Rialto.

The following is the quote for 607 hours of coverage per week, for an average of 2,628 hours per month. The coverage will be a armed and unarmed uniformed security officers at eight positions.

Frisbee Park and Fire Station 205 were added coverage and were not a part of the last RFP. The Fire Station is billed to a separate budget.

GSSi, Inc. would agree to a month-to-month agreement at the current rates allowing the City of Rialto to develop a RFP for Security Services and proceed with the bid process.
