28

1 The 2014-2021 Housing Element Update institutes policies that will guide City decision
2 making, and establishes an implementation program to achieve housing goals through the
3 year 2021 and will serve the public convenience and necessity Citywide. Additionally, SB
4 375 requires the City to adopt the 2014-2021 Housing Element Update within the required
5 timeframe or risk revising its housing element every four years until adopting at least two
6 consecutive revisions by the due date.
7

8 SECTION 3. The 2014-2021 Housing Element Update is a policy document that
9 addresses conservation, improvement, affordability, constraints, opportunities, and objectives for
10 Housing in Rialto. The proposed programs do not require the City to implement any rezoning to
11 meet housing needs. The 2014-2021 Housing Element Update is consistent with the 2010
12 General Plan and conforms to the 2010 General Plan Master Environmental Impact Report.
13 Adoption of the 2014-2021 Housing Element Update is not a project and is exempt from further
14 review. A Notice of Exemption has been prepared for GPA No. 2017-0004 in accordance with the
15 California Environmental Quality Act (CEQA). The Planning Commission hereby recommends
16 that the City Council direct the Planning Division to file the necessary documentation with the Clerk
17 of the Board of Supervisors for San Bernardino County.
18

19 SECTION 4. The Planning Commission hereby recommends that the City Council
20 approve GPA No. 2017-0004 to adopt the 2014-2021 Housing Element Update.
