CCT Special Considerations:

- All CCT with EtCO₂ include one EtCO₂ sensor. You must choose mainstream or sidestream sensor by quoting sensor as additional line item at No Charge. Mainstream Capnostat sensor is 8000-0264-01. Sidestream LoFlo Module sensor is 8000-0365.
- All CCTs are available with a DC Power Supply instead of an AC Power Supply at no additional charge. This can be ordered by replacing digit 7 with a "2".
- Direct transmission to GE Medical Systems MUSE® is available for CCT with 12-lead option. Replace digit 5 with a "2".
- Xtreme Pack I or II is available for all M Series ® units. Order as a separate line item if required for transport applications.
- If RS232 option is required, the RS232 Data Transfer Cable must be quoted. Part number 8000-0605-01,\$55 per cable.
- Xtreme Pack II is optional and may be substituted for Xtreme Pack I at the time of the order for \$170. List as separate line item for each M Series ® ordered.
- Xtreme Pack II for 12-lead is optional and may be substituted for Xtreme Pack I at the time of the order for \$250. List as a separate line item for each M Series ® ordered.
- The CCT Model may be upgraded to include a XL Smart Complete Battery for an additional charge of\$55. This upgrade includes the replacement of the XL Smart Ready Battery with the Smart Complete Battery. This can be ordered by replacing digit 7 with a "6" for M Series CCT with AC power or by replacing digit 7 with a "7" for M Series CCT with DC power.

Xtreme Pack II Limited Warranty Statement:

This warranty is provided for the life on the M Series when the M Series is used under normal operating conditions. Additionally, this warranty includes the use of a loaner defibrillator during repair, the cost of shipping the damaged unit to ZOLL, and the cost of the return of the repaired or replacement unit to the original purchaser.

This limited warranty is the sole warranty made with respect to the Xtreme Pack II and is expressly in lieu of any other warranty either stated or implied, including any implied warranty of merchantability. ZOLL expressly disclaims all liability for any special or consequential damages. Breakage or damage to the screen, recorder, electronic or other portion of the M Series defibrillator other than the injection-molded enclosure are specifically excluded from this limited warranty.

EtCO₂ Mainstream Sensor and LoFlo EtCO₂ Module Warranty

ZOLL Medical Corporation warrants solely to the original purchaser of an M Series®, M Series CCT, or E Series™ defibrillator that if an EtCO₂ Mainstream Sensor or LoFlo EtCO₂ Module used with a ZOLL Defibrillator fails under normal operating conditions, ZOLL will either replace or repair the defective Mainstream EtCO₂ sensor or LoFlo EtCO₂ Module at ZOLL's option. This limited lifetime warranty begins from the original date of purchase of the EtCO₂ Mainstream Sensor or LoFlo EtCO₂ Module.

The foregoing warranty constitutes the exclusive remedy of the customer and the exclusive liability of ZOLL Medical Corporation for any breach of warranty related to the EtCO₂ Mainstream Sensor or LoFlo EtCO₂ Module supplied hereunder. ZOLL Medical Corporation expressly disclaims all other warranties whether written, oral, implied or statutory, included but not limited to any warranties of merchantability or fitness for a particular purpose.

Purchaser agrees to purchase those Products ordered by Purchaser by Purchase Order in accordance with and subject to the terms, covenants and conditions of this Agreement.

2.2 All Purchase Orders issued by Purchaser to Supplier for Products during the Term (as hereinafter defined) of this Agreement are subject to the provisions of this Agreement as though fully set forth in such Purchase Order. In the event that the provisions of this Agreement conflict with any Purchase Order issued by Purchaser to Supplier, the provisions of this Agreement shall govern. No other terms and conditions, including, but not limited to, those contained in Supplier's standard printed terms and conditions, on Supplier's order acknowledgment, invoices or otherwise, shall have any application to or effect upon or be deemed to constitute an amendment to or to be incorporated into this Agreement, any Purchase Order, or any transactions occurring pursuant hereto or thereto, unless this Agreement shall be specifically amended to adopt such other terms and conditions in writing by the parties.

2.3 Notwithstanding any other provision of this Agreement to the contrary, Purchaser shall have no obligation to order or purchase any Products hereunder and the placement of any Purchase Order shall be in the sole discretion of Purchaser. Without limiting the generality of the foregoing, the actual quantity of Products to be purchased hereunder shall be determined by Purchaser in its sole discretion. This Agreement is not exclusive. Supplier expressly acknowledges and agrees that Purchaser may purchase at its sole discretion, products which are identical or similar to the Products described in this Agreement from any third party.

2.5 Extension of contract terms to National Purchasing Partners, LLC

2.5.1 Pursuant to Section 1.0 of the RFP, Supplier agrees to extend the same terms, covenants and conditions available to Purchaser under this Agreement to other government agencies that are members of National Purchasing Partners, that have executed a National Purchasing Partners IGA as a Participating Agency, and that wish to access this Agreement in accordance with Attachment C which is attached hereto and incorporated herein by reference ("Participating Agencies"); provided that each such Participating Agency, as well as all Lead Agency members, must identify the NPP-League of Oregon City Contract at the time the order is placed with Supplier. Each Participating Agency will be exclusively responsible for and deal directly with Supplier on matters relating to ordering, delivery, inspection, acceptance, invoicing, and payment for Products in accordance with the terms and conditions of this Agreement as if it were "Purchaser" hereunder. Any disputes between a Participating Public Agency and Supplier will be resolved directly between them under and in

accordance with the laws of the State in which the Participating Public Agency exists. Pursuant to 1.2A) and 3.2 of the RFP, Purchaser shall not incur any liability as a result of the access and utilization of this Agreement by other NPP Participating Agencies.

2.5.2 *This Solicitation meets Oregon public contracting requirements and may not be appropriate under, or meet Participating Agencies' procurement laws. Participating Agencies are urged to seek independent review by their legal counsel to ensure compliance with all local and state solicitation requirements.*

2.5.3 Supplier acknowledges execution of a Vendor Administration Fee Agreement with National Purchasing Partners, LLC, pursuant to Section 1.2D) of the RFP.

ARTICLE 3 – TERM AND TERMINATION

3.1 The term of this Agreement shall commence on the date hereof and shall continue for four (4) years, expiring on July ____, 2016 (the “Original Term”), subject to any earlier termination as provided herein. Notwithstanding the foregoing, Purchaser may extend the term of this Agreement for four (4) additional periods of one (1) year each (each, an “Extension Term”) by giving Supplier written notice no less than thirty (30) days prior to the expiration of the Original Term or preceding Extension Term. (The Original Term together with all Extension Terms is hereafter referred to as the “Term.”)

3.2 Either party may terminate this Agreement by written notice to the other party if the other party breaches any of its obligations hereunder and fails to remedy the breach within thirty (30) days after receiving written notice of such breach from the non-breaching party.

ARTICLE 4 – PRICING, INVOICES, AND PAYMENT

4.1 Purchaser shall pay Supplier for all Products ordered and delivered in compliance with the terms and conditions of this Agreement on the terms and at the discount, price or prices specified for each such Product on Attachment A. Unless Attachment A or Supplier’s Proposal expressly provides otherwise, the prices for Products set forth on Attachment A hereto shall remain fixed during the entire Term of the Agreement and shall not be increased as a result of the quantity of Products ordered, the delivery time within which such Products are required to be delivered to Purchaser or for any other reason. Unless otherwise directed by Purchaser for expedited orders, Supplier shall utilize such common carrier for the delivery of Products as Supplier may select; provided, however, that for expedited orders Supplier shall obtain delivery services hereunder at rates and terms not less favorable than those paid by Supplier for its own account or for the account of any other similarly situated customer of Supplier.

4.2 Supplier shall submit original invoices to Purchaser in form and substance and format reasonably acceptable to Purchaser. All invoices must reference the Purchaser’s Purchase Order number, contain an itemization of amounts for Products purchased during the applicable invoice period and any other information reasonably requested by Purchaser, and must otherwise

comply with the provisions of this Agreement and such reasonable requirements as may be prescribed by Purchaser from time to time. Invoices shall be addressed as directed by Purchaser.

4.3 Unless Attachment A or Supplier's Proposal (Attachment D) expressly provides otherwise, the prices specified on Attachment A include (i) all taxes and duties of any kind which Supplier is required to pay with respect to the sale of Products covered by this Agreement and (ii) all charges for packing, packaging and loading.

4.4 Notwithstanding any other agreement of the parties as to the payment of shipping/delivery costs, except as otherwise provided on Attachment A or Supplier's Proposal, all prices include delivery charges to Middletown, PA. Purchasing Agency is responsible for delivery charges from Middletown, PA to final destination, using the most cost effective carrier. Taxes will be added to all orders, unless a current tax exempt certificate is supplied at the time of order.

4.5 Except as specifically set forth on Attachment A or Supplier's Proposal, Purchaser shall not be responsible for any additional costs or expenses of any nature incurred by Supplier in connection with the provision of the Products, including without limitation travel expenses, clerical or administrative personnel, long distance telephone charges, etc. ("Incidental Expenses"). To the extent that Attachment A expressly requires Purchaser to reimburse Supplier for Incidental Expenses, and notwithstanding anything else set forth in this Agreement, including Attachment A, Purchaser shall not be responsible for any such reimbursement unless the expenses to be reimbursed are (i) approved, in each instance, in advance by Purchaser; and (ii) substantiated by appropriate receipts and related documentation. It is acknowledged and agreed that Purchaser may, as a condition of its approval of any such Incidental Expense reimbursement, require in each instance Supplier to utilize suppliers or service providers prescribed by Purchaser, which may include suppliers or service providers which are affiliated with Purchaser.

4.6 Supplier represents, warrants and covenants that the prices, charges and fees for Products set forth in this Agreement are at least favorable as the prices, charges and fees Supplier charges to other of its customers or clients for the same or substantially similar products provided under the same or substantially similar circumstances, terms, and conditions. If Supplier agrees or contracts with other clients or customers similarly situated during the Term of this Agreement, and offers or agrees to financial terms more favorable than those set forth herein (on the whole), Supplier hereby agrees that it will reduce the prices, charges and/or fees charged to Purchaser in respect of the Products hereunder to the most favorable rates received by those other clients or customers.

ARTICLE 5 – INSURANCE

During the term of this Agreement, Supplier shall maintain at its own cost and expense (and shall cause any subcontractor to maintain) insurance policies providing insurance of the kind and in the amounts generally carried by reasonably prudent manufacturers in the industry, with one or more reputable insurance companies licensed to do business in the states where Products are to be sold hereunder. ZOLL MEDICAL CORPORATION maintains a deductible of up to \$100,000.00. ZOLL MEDICAL CORPORATION maintains cash revenues of \$50,000,000.00 on their balance sheets with no debt.

ARTICLE 6 – INDEMNIFICATION

Supplier agrees that it shall indemnify, defend and hold harmless Purchaser, its respective officials, directors, employees and agents (collectively, the “Indemnities”), and National Purchasing Partners from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities (including without limitation reasonable attorney’s fees), suffered directly or indirectly by any of the Indemnities by reason of, or arising out of, (i) any breach of any covenant, representation or warranty made by Supplier in this Agreement, (ii) any failure by Supplier to perform or fulfill any of its obligations, covenants or agreements set forth in this Agreement, (iii) the negligence or intentional misconduct of Supplier, any subcontractor of Supplier, or any of their respective employees or agents, (iv) any failure of Supplier, its subcontractors, or their respective employees to comply with any Applicable Law, (v) any litigation, proceeding or claim by any third party relating in any way to the obligations of Supplier under this Agreement or Supplier’s performance under this Agreement, (vi) any Employee Taxes or Unemployment Insurance, or (vii) any claim alleging that the Products or any part thereof infringe any third party’s U.S. patent, copyright, trademark, trade secret or other intellectual property interest. Such obligation to indemnify shall not apply where the damage, claim, loss, expense, cost, obligation or liability is due to the breach of this Agreement by, or negligence or willful misconduct of, Purchaser or its officials, directors, employees, agents or contractors. In addition, Supplier shall not be liable for infringement claims related to nonstandard or special-order product, the design of which is provided to Supplier by Purchaser. The provisions of this Article shall survive the expiration or termination of this Agreement.

LIMITATION OF LIABILITY: IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR INJURIES TO PERSONS OR TO PROPERTY OR LOSS OF PROFITS OR LOSS OF FUTURE BUSINESS OR REPUTATION, WHETHER BASED ON TORT OR BREACH OF CONTRACT OR OTHER BASIS, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

ARTICLE 7 – WARRANTIES

Purchaser shall refer to Supplier’s Proposal for all Supplier and manufacturer express warranties, as well as those warranties provided under Attachment B herein.

ARTICLE 8 - INSPECTION AND REJECTION

8.1 Purchaser shall have the right to inspect and test Products at any time prior to shipment, and within a reasonable time after delivery to the Purchaser’s Destination. Products not inspected within a reasonable time after delivery shall be deemed accepted by Purchaser. The payment for Products shall in no way impair the right of Purchaser to reject nonconforming Products, or to avail itself of any other remedies to which it may be entitled.

8.2 If any of the Products are found at any time to be defective in material or workmanship, damaged, or otherwise not in conformity with the requirements of this Agreement or any applicable Purchase Order, as its exclusive remedy, Purchaser may at its option and at Supplier's sole cost and expense, elect either to (i) return any damaged, non-conforming or defective Products to Supplier for correction or replacement, or (ii) require Supplier to inspect the Products and remove or replace damaged, non-conforming or defective Products with conforming Products. If Purchaser elects option (ii) in the preceding sentence and Supplier fails promptly to make the necessary inspection, removal and replacement, Purchaser, at its option, may inspect and sort the Products and Supplier shall bear the cost thereof. Payment by Purchaser of any invoice shall not constitute acceptance of the Products covered by such invoice, and acceptance by Purchaser shall not relieve Supplier of its warranties or other obligations under this Agreement.

8.3 The provisions of this Article shall survive the expiration or termination of this Agreement.

ARTICLE 9 – SUBSTITUTIONS

Except as otherwise permitted hereunder, Supplier may not make any substitutions of Products, or any portion thereof, of any kind without the prior written consent of Purchaser.

10.2 Purchaser has taken all required governmental action to authorize its execution of this Agreement and there is no governmental or legal impediment against Purchaser's execution of this Agreement or performance of its obligations hereunder.

ARTICLE 11 – PUBLICITY / CONFIDENTIALITY

11.1 No news releases, public announcements, advertising materials, or confirmation of same, concerning any part of this Agreement or any Purchase Order issued hereunder shall be issued or made without the prior written approval of the parties. Neither party shall in any advertising, sales materials or in any other way use any of the names or logos of the other party without the prior written approval of the other party.

11.2 Any knowledge or information which Supplier or any of its affiliates shall have disclosed or may hereafter disclose to Purchaser, and which in any way relates to the Products covered by this Agreement shall not, unless otherwise designated by Supplier, be deemed to be

confidential or proprietary information, and shall be acquired by Purchaser, free from any restrictions, as part of the consideration for this Agreement.

ARTICLE 12 - RIGHT TO AUDIT

Subject to Supplier's reasonable security and confidentiality procedures, Purchaser, or any third party retained by Purchaser, may at any time upon prior reasonable notice to Supplier, during normal business hours, audit the books, records and accounts of Supplier to the extent that such books, records and accounts pertain to sale of any Products hereunder or otherwise relate to the performance of this Agreement by Supplier. Supplier shall maintain all such books, records and accounts for a period of at least three (3) years after the date of expiration or termination of this Agreement. This Article 12 and Purchaser's rights hereunder shall survive the expiration or termination of this Agreement for a period of three (3) years after the date of such expiration or termination and Purchaser shall continue to have the right to audit during such period.

ARTICLE 13 - DELIVERY REQUIREMENTS

TIME IS OF THE ESSENCE WITH RESPECT TO EACH PURCHASE ORDER ISSUED HEREUNDER. If Supplier for any reason anticipates difficulty in complying with the required delivery date, or in meeting any of the other requirements hereunder or under any Purchase Order, Supplier shall promptly notify Purchaser in writing. Except as otherwise provided in Article 18 below, if Supplier does not comply with the applicable delivery schedule, in addition to any other remedies it may have, Purchaser may require delivery by fastest method available and any actual out-of-pocket charges or costs resulting from such method (including, but not limited to, premium shipping rates, etc.), if any, must be fully prepaid and/or absorbed by Supplier without additional cost to Purchaser. It is Supplier's responsibility to comply with the delivery schedule applicable to each Purchase Order accepted by Supplier.

ARTICLE 14 - RISK OF LOSS AND PASSAGE OF TITLE

Supplier shall have the risk of loss of or damage to any Products until passage of title to Purchaser. Purchaser shall have the risk of loss of or damage to the Products after title has passed to Purchaser. All products are shipped from Supplier FOB Shipping Point. Title to Products shall pass to Purchaser upon delivery of the Products to the common carrier.

ARTICLE 15 - REMEDIES

Except as otherwise provided herein, any right or remedy of Supplier or Purchaser set forth in this Agreement shall not be exclusive, and, in addition thereto, Supplier and Purchaser shall have all rights and remedies under applicable law, including without limitation, equitable relief. The provisions of this Article shall survive the expiration or termination of this Agreement.

ARTICLE 16 - RELATIONSHIP OF PARTIES

For purposes of this Agreement, "force majeure" shall mean any cause or agency preventing performance of an obligation which is beyond the reasonable control of either party hereto, including without limitation, fire, flood, sabotage, shipwreck, embargo, strike, explosion, labor trouble, accident, riot, acts of governmental authority (including, without limitation, acts based on laws or regulations now in existence as well as those enacted in the future), acts of God, and delays or
