

FUTURE RECREATIONAL FACILITIES & ACTIVITIES – Frisbie Park

Using a scale from 1 to 5 where 1 is equal to “Not At All Likely to Use” and 5 is equal to “Very Likely to Use,” residents were asked to indicate how likely they or members in their household would be to use a number of facilities at Frisbie Park. The list of facilities and the percentage of respondents indicating they would be “Likely” or “Very Likely” to use the facility at Frisbie Park are presented in the table below.

While many respondents indicate they would likely use walking paths and picnic facilities at Frisbie Park, a majority of local residents also indicate expected usage of a parking lot. Online survey respondents indicate they would also be likely to use batting cages and softball fields at Frisbie Park.
