City of Rialto, Engineering Services Dept.

Dec. 11, 2022

Attention: Art Cervante, PMP

Re: Architectural Design Fee for: Rialto Community Services Dept. Office Renovation

Per our 12-6-22 site visit with you and the Community Services Dept. staff, we are pleased to provide architectural design services to remodel about 5300 sf to convert 2 office lease spaces into a "one-stop" offices for the Community Services Dept. A proposed floor plan is attached for your reference. We will only provide Schematic Design service for this phase of design work. Construction Documents to provide PSE (plans, specs, estimate) for public bidding to general contractors, will come at a future phase of work. Our architectural design Fee is itemized in the attached spreadsheet. The Scope of Work is described below.

Scope of Work

- 1. Provide coordination and meetings with City needed to expedite this design project.
- 2. Provide site visit(s) to confirm existing conditions, photos, measurements, and check above the ceiling to record the structural system. Note that as-built drawings of the existing structure could not be found.
- 3. Remodel about 5300 sf to convert 2 existing lease spaces into a "one-stop" offices for the Community Services Dept. to create public lobby, public counters, conference rooms, breakroom, open plan workstations, private offices, restrooms, etc. We will create at least 3 schematic floor plan options. Upon your review and comments, we will make refinements to each, and produce final Schematic Design floor plans. While meeting minimum functional needs to fit at least 33 staff members, the floor plan options will be designed based on; most cost effective, medium cost, highest cost. It would be ideal to fit more than 33 staff members to allow for future expansion.
- 4. Provide rough cost estimate for the 3 options.
- 5. Provide ADA compliance and thru-out the interior remodeled area.
- 6. Provide a new main entry from the South that that will provide direct access to a future South parking lot that the City will install.
- 7. Provide façade improvement design to convert 2 lease spaces into 1 unifying façade the West street frontage.
- 8. New design features, color, material, shall be compatible with sensitivity to the existing architecture and the architectural desired style of the Client.
- 9. Provide color renderings with floor plans (3 options), interior rendering of public lobby, and exterior rendering of frontage façade improvements, and possibly the new South main entry.

Items Not Included

- a. Asbestos, mold, lead paint report
- b. Structural engineering
- c. Mechanical, Electrical, Plumbing engineering.
- d. Construction Documents

Our workload is such that we can begin design immediately upon your Notice to Proceed. If you have any questions, please don't hesitate to contact me personally at (310) 480-7730 cell.
