PUBLIC HEARINGS

**Chair Story stated that for next item, the Planning Commission would
be acting as the Building Appeals Board.**

The Building Appeals Board to Review and Consider Adoption of a
Resolution to Uphold the Building Officials Decision regarding a Junior
Accessory Dwelling Unit (JADU) at 1443 N. Riverside Avenue, in
accordance with Government Code 66332.

Mr. Khuu explained the procedures, including disclosure of ex-parte contacts
and conflicts.

Commissioner Thompson requested a five-minute break to speak with Mr.
Khuu. A recess was taken from 6:50 pm – 6:54 pm. At 6:55 pm
Commissioner Avalos-Villalobos recused herself due to the proximity of her
residence to the subject site.

Chief Building Official Jay Garcia made the presentation.

PUBLIC HEARINGS

Mr. Garcia stated the request involved the application of Government Code 66332, requiring that the JADU have been in existence and constructed before January 1, 2020. Staff found insufficient evidence to substantiate that the JADU was built prior to the required date and recommended denial of the appeal (upholding the Building Official's decision), noting the applicant could pursue legalization through the standard permitting process.

Rob Ingram (Middle Housing Partners) made a presentation and argued the unit existed prior to 2020 and provided video evidence from 2023 showing interior conditions. The appellant also raised concerns regarding the City's implementation materials/checklists for 66332 and requested rescission of the denial and an inspection under applicable standards.

Mr. Garcia was allowed a rebuttal and stated the City supports ADUs/JADUs and referenced prior programs and efforts, noting the key question remains whether the JADU existed prior to January 1, 2020. Mr. Garcia reaffirmed his stance, stating staff maintained there was insufficient evidence of the JADU existing prior to January 1, 2020.

Vice-Chair Gutierrez made a motion to close the Public Hearing, seconded by Commissioner Estvander.

Chair Story closed the Public Hearing.

Commissioner Thompson made a motion to deny the appeal and adopt the resolution (Exhibit H) upholding the Building Official's decision that the evidence does not substantiate that a JADU existed or was constructed prior to January 1, 2020, and therefore does not meet Government Code Section 66332 requirements. Seconded by Vice-Chair Gutierrez.

Vote on the motion:

AYES: 6 (Corral, Estvander, Gutierrez, Schneider, Story, Thompson)

NOES: 0

ABSTENTION: 1 (Avalos-Villalobos)

ABSENT: 0

Motion carries, 6-0.
