Conditions of Grant Acceptance

Grant work cannot begin until all Conditions of Grant Acceptance have been satisfied. To assist with this process, Caltrans District staff will schedule a teleconference with your agency to discuss the conditions below, as well as other project revisions that may be necessary to accept grant funding. Please submit the below items to Caltrans District 8 no later than July 15, 2019. Failure to satisfy these conditions will result in the forfeiture of grant funds.

1. Coordinate with Caltrans District Planning staff to make necessary revisions to the Grant Application Cover Sheet, Scope of Work, and Project Timeline.

2. A current (less than one year old) Local Resolution signed by the governing board that includes the grant project title and job title of the person authorized to enter into a contract with Caltrans.
3. Although the Payee Data Record (STD. 204) states government entities are not required to submit the form, it is required by Caltrans Accounting to ensure payments are sent to the correct recipient and address.
4. If requesting reimbursement for indirect costs, these costs must be included in the grant Scope of Work and Project Timeline. An Indirect Cost Allocation Plan (ICAP) must be submitted to Caltrans Audits and Investigations. Instructions for submitting an ICAP are available at the following webpage: <http://dot.ca.gov/audits/>
5. If utilizing third-party in-kind contributions to satisfy the minimum local match requirement, a Third-Party In-kind Valuation Plan must be completed. These contributions consist of goods and services donated from outside the grantee's agency (examples: donated printing, facilities, interpreters, equipment, advertising, staff time, and other goods or services). A Third-Party In-kind Valuation Plan Checklist and sample can be found at the following webpage: <http://www.dot.ca.gov/hq/tpp/offices/orip/Grants/grants.html>

Next Steps

Once the District has approved all items required to fulfill the Conditions of Grant Acceptance, the following steps will need to occur:

- The Caltrans Division of Procurement and Contracts will send a draft contract for review and signature. Once the contract is signed, Caltrans District staff will send a Notice to Proceed letter. Grant work cannot begin until this letter is received by the grantee.
- Caltrans District staff will schedule a grant kick-off meeting with Caltrans staff and the grantee.
- This project will require collaboration with Caltrans District Design and Traffic Operations staff as it pertains to potential project and design improvements on the State Highway System.
- Ensure this project supports the objectives outlined in Chapter 4 of the *Toward an Active California: State Bicycle and Pedestrian Plan*.
- Grant administrative requirements:
 - Quarterly Progress Reports (a brief narrative of completed project activities)
 - Request for Reimbursements/invoices (RFRs) at least quarterly, but no more than monthly.
 - Local match commitments in the amount shown above, including any local match amount above the minimum amount that is required with every RFR/invoice.
