Subject: Cedar Ave Crossing Safety Improvements Final 100% Engineering Design Plans

Dear Mr. Eisenbeisz,

The Southern California Regional Rail Authority (SCRRA) has reviewed the final 100% engineering plans (submitted on May 23, 2018) for the Cedar Ave Crossing Safety Improvement Project. We concur with your proposed project as shown on the referenced documents and take no exceptions. We look forward to moving this project into the construction phase.

Sincerely,

A handwritten signature in blue ink, appearing to read "Justin Fornelli".

Justin Fornelli, P.E.
Director, Engineering & Construction
Southern California Regional Rail Authority
