RE: Culichitown Group, Inc.
Location: 611 East Foothill Blvd. Rialto, CA 92376

Dear Mr. Rosas:

Please allow this letter as a formal request that Culichitown Restaurants, Inc. would like to apply to the planning commission to amend an existing CUP from a Type 41 ABC license (beer, wine) to a Type 47 ABC, which allows on premises the sale of spirits with the addition of a bar counter in conjunction with a bona fide eating establishment located at 611 East Foothill Blvd, Rialto, CA 92376.

Furthermore, I want to take this opportunity and request an extension of hours for our live entertainment. Currently, we are permitted to have the live band until 10:00 am, however, we would like to extend the live entertainment hours and business hours until midnight.

Culichitown's mission is to provide an entertaining and safe experience for all guest and therefore acknowledges the importance of public safety. Culichitown is in the best position to collaborate with the Rialto Police Department, City officials, and the City of Rialto Planning Commission (CUP) to maintain a safe environment for the community. Culichitown is willing to implement the necessary measures to help mitigate issues so that the addition of spirits to its menu does not risk the safety and security of its patrons, surrounding businesses, and the community.

Enclosed find a three checks to cover the processing fee for our request. If you have any questions or need anything further, please call me at (951)965-7755. We look forward in receiving a positive response from you soon. Thank you.

Respectfully,

Culichitown Restaurants, Inc.
