Active Directory $4,000.00

Provides the ability to integrate Collective Data software directly with Windows Active Directory, simplifying the management of user credentials across your network.

Some of the information that can be synced include:
* User creation/deletion
* Passwords
* Data fields such as addresses, phone numbers, employee ID's, etc.
* Security group memberships

Configuration Service $2,500.00

Additional Configurations to Base Software requested on demonstration:

- Multi-level approval process to include auto assignment, and auto email to appropriate personnel based off of division, rank, or other employee criteria. Users will submit the request, and an email will send to the appropriate supervisor for the next level of approval. Supervisors will be able to quickly view and approve any requests assigned to them in the Mission Control View. Also allow electronic signatures throughout the process as needed.

- Ensure Training can be requested through Item Request Officer Portal, and flow through needed approval level like other Item Requests.

- Adjustments to the Training Course View to add a tab for other cost information such as hotels, registration fees, lodging, etc.

Training - On-Site $4,500.00

2 Consecutive Days On site Training and Implementation

Each day consists of eight work hours and includes all travel expenses.
Training to be scheduled after final delivery of user system with a 3 week minimum lead time.

Final payment must be received prior to scheduling on-site training.
Must use training services within 12 months.

Includes a two-hour web training session for each consecutive on-site training day.
To be used within six months of the on-site training.

* Free version upgrade every 3 years. Must remain on a continuous Premium Support agreement to be eligible.
* 2-4 hours of web-based training based on the number of concurrent users.

The price of your Premium Support agreement is calculated at 25% of the list price of the software plus any enhancement options, configurations, additional users, or ongoing imports that have been added to your application since your last renewal.

Your Investment: **$26,375.00**

Terms and Conditions

*

By signing this document, the signer is committing to purchase the products and services listed in this quote and agreeing to the payment terms listed in this quote. The signer also acknowledges the authority to sign this document on behalf of the organization listed.

* The price of your premium support agreement is calculated at 25% of the list price of the software plus any enhancement options, configurations, additional users, or ongoing imports that have been added to your application.

* Collective Data software natively supports the following database servers: PostgreSQL, MS SQL 2005, 2008, 2012, and 2014. No additional licensing is required to operate with PostgreSQL. Licensing for MS SQL is not included and is the responsibility of the Customer.

A server-class computer running Microsoft Windows 10, 8, 7, 2008 Server, 2008 R2 Server, 2012 Server with GUI, 2012 R2 Server, or 2012 Data Center GUI is required to operate the application server.

* The pricing listed in this quote is based on the products and services as described. Any additions, alterations, reconfigurations or changes of any nature to the products and services quoted herein may require a recalculation of price.

* Standard Payment Terms: 75% of total price of software and services listed on the purchase agreement are invoiced upon receipt of signed agreement, remaining 25% of listed amount will be invoiced upon delivery. All projects are prioritized based on payment received date.

* All training requires advanced payment prior to scheduling the date. Price quoted reflects training fees only. Onsite training must be scheduled a minimum of 3 weeks in advance and 4 weeks for out of the country. Additional fees may apply to travel outside of the continental United States and Canada.

* Collective Data is committed to providing exceptional support to each and every customer. Our technical support team is available to help you find answers to even the most challenging technical support issues if they arise.

A signed and dated support agreement is required at the time of final delivery. Technical support is only available to clients with an in-force, signed support agreement on file. The first year of support is included in the original purchase price and support renewals are quoted one year after initial delivery.

Support renewals are available in two options:

Option 1: STANDARD SUPPORT
- Technical support staff available from 8-5 PM (Central), Monday through Friday (excluding holidays)
- Support via phone, email, and Online Support Center
- Free online training webinars hosted monthly
- Software maintenance/ bug-fix updates

The price of your support contract is calculated at 15% of the list price of the software plus any new configurations, additional users, or modules added.

If you chose this option, your estimated support cost would be $2,625 if nothing new is added to your system.

* Note: To stay on the latest version of the software at all times (upgrades) to receive new enhancements and features, a Premium Support Plan is required.

Option 2: PREMIUM SUPPORT
- Technical support staff available from 8-5 PM (Central), Monday through Friday (excludes holidays)
- Support via phone, email, and Online Support Center
- Free online training webinars hosted monthly
- Software maintenance/ bug-fix updates
- Version upgrades - Customers are eligible for a free version upgrade every 3 years with a continuous Premium Support Agreement.
- 2-4 hours of free web-based training based on the number of concurrent users

The price of premium support is calculated at 25% of the list price of the software price plus any new configurations, additional users, or modules added.

If you chose this option, your estimated support cost would be $4,375 if nothing new is added to your system.

* The information in this document is confidential to the company to whom it is addressed and should not be disclosed to any other person or organization.
