

Community Choice Aggregation Program Development and Implementation Plan

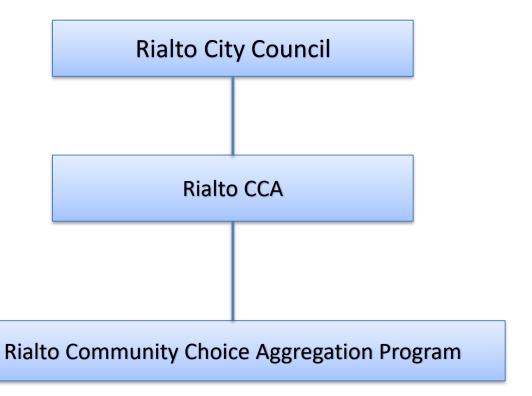

Summary of Phase 2 CCA Program Development

- Phase 2 of the CCA development project addresses organizational, financial and scheduling parameters of the Program.
- The City's Consultants, Good Energy, prepared a report outlining the proposed organizational structure, forecast customer enrollment numbers and estimated annual Program sales.
- After reviewing the report with Rialto city staff, Good Energy prepared a Implementation Plan.

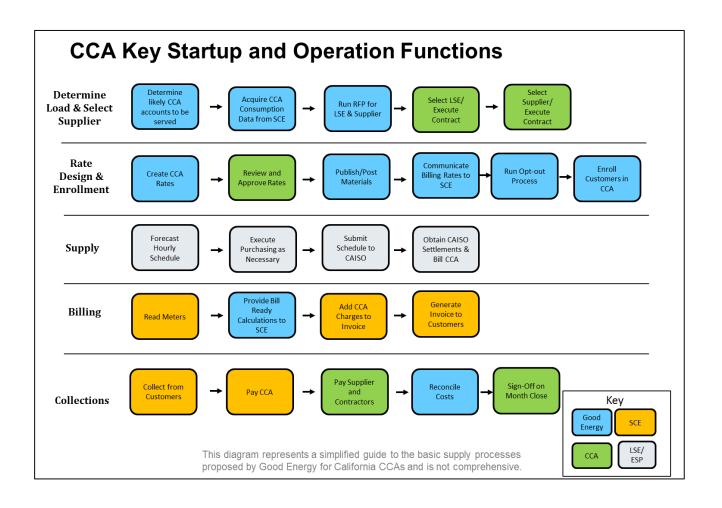

Program Organization

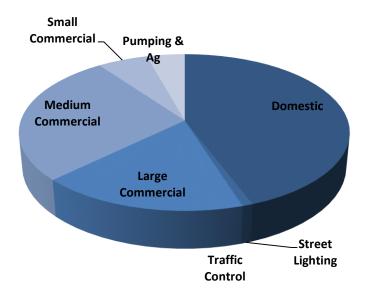

Key CCA Functions and Responsibilities

Forecast Enrollments and Energy Sales

Rialto Usage by Account Type

| TOU-GS-1 | 20,283 | 1,795 |
| TOU-GS-2 | 41,697 | 273 |
| TOU-GS-3 | 31,722 | 33 |
| TOU-PA-2 | 2,611 | 11 |
| TOU-PA-3 | 8,977 | 12 |
| TOU-PA-ICE | - | - |
| Grand Total | 325,070 | 25,413 |

Savings Estimates Selected Customer Classes

- Savings estimates are forecasts based upon current market and regulatory conditions.
- Refined estimates will be made after the CCA achieves regulatory approval and firm bids are solicited from suppliers.

Average Savings Per Year (%/Account)

Completed Steps for Rialto's CCA Program

- Feasibility of a CCA in the City evaluated
- Implementation Plan drafted

Program Costs

- Incurred to Date:
 - Consulting Fees \$185,000
- Incurred if Proposed Action Approved:
 - SCE Deposit \$18,060
 - CPUC Bond Requirement \$100,000
- Incurred if Decision Made to Implement by Council:
 - Additional Consulting Fees \$160,000
 - Specialized Legal Assistance \$100,000

What happens next?

- If approved, the requested action will adopt the Implementation Plan and authorize staff to submit the CCA application package to the CPUC.
 - Package includes Implementation Plan,
 Performance Bond and SCE Service Agreement and Deposit.

GoodEnergy:::::

Future Tasks for Rialto's CCA Program

- Receive notice of Program registration from CPUC (after Registration Package has been reviewed)
- Issue RFPs and Procure suppliers and contractors
- Submit Resource Adequacy load estimates
- Implement public information and marketing program
- Prepare Rate Structure
- Receive opt-out notices from eligible account holders electing to not participate
- Customer enrollment and first energy delivery

Thank you
