  - City of Wildomar, City of Perris, City of Eastvale
- 80 Municipal governmental agencies listed as current/prior clients

Total maximum price for the FY 2017-18 audit: **\$69,750**

It is anticipated that the City's audit will take approximately 1 week (5 workdays) for the interim phase of the audit and approximately 3 week (12 workdays) for the year-end phase of the audit.

Teaman, Ramirez & Smith, Inc. is well qualified to provide these services for the following major reasons:

- Commitment to deliver quality audit reports on time so requirements of the City can be met in a timely manner.
- Ability to provide experienced personnel to ensure year-to-year continuity.
- Local CPA firm responsiveness and attentiveness. We are proactive in helping clients achieve a high level of financial reporting, including the implementation of new accounting pronouncements.
- Thorough understanding of the reporting requirements of the City. We have assisted many governments in achieving the GFOA and/or CSMFO financial statement awards for financial reporting.
- The engagement partner is a working partner and will be actively involved throughout the audit process.
