Dear Gina:

MIG has a long history of working with the City of Rialto and we are excited to continue that relationship. Our work for and with the City has been very satisfying and productive. We appreciate working in the City's fast-paced environment with interesting and challenging projects along as well as the positive leadership.

We have provided staffing to the City at varying levels of planning experience throughout the years including environmental support. We appreciate the City's faith in our team and services and look forward to the continuing opportunity to assist in the success of City projects.

Sincerely,
