2. **Recitals**
  - 2.1 **Purpose**
    - 2.1.1. Omnitrans is a provider of public mass transportation for the San Bernardino Valley, and has the professional ability to administer programs to install and maintain bus shelters and other passenger Amenities, as defined below, in cities. Omnitrans represents that it is experienced in providing such services to public clients.
    - 2.1.2. The Parties recognize that upgraded, well-maintained bus stops and Amenities benefit City residents, the City's business community, and transit riders region-wide.
    - 2.1.3. The Parties desire that by this Agreement, Omnitrans shall have the right to provide and obligation to maintain bus stop Amenities within boundaries of City, and in exchange, will receive all revenue, including advertising, from such Amenities.
    - 2.1.4. The Parties agree that if City, property developer, or property owner installs bus stop Amenities separate from the Amenities that Omnitrans installs (of which Omnitrans does not agree to take ownership), Omnitrans does not bear the responsibility to maintain those Amenities and shall have no liability for such Amenities.

City will coordinate with Omnitrans when reviewing development applications and will condition private developments to include bus shelters, particularly the premium shelter model.
- 3.1.3 Availability of Sidewalk Space.** The availability of flat concrete sidewalk space on which Amenities can be installed (10' by 25' for shelters) is also crucial to installation of shelters. Omnitrans will partner with City to pursue funding whenever possible for installation of concrete improvements or accessibility improvements needed for installing Amenities at bus stops.

Omnitrans shall be required to apply for a “no fee” permit from City to install a bus shelter. Omnitrans’ permit application shall be promptly reviewed and approved by the City. The City will waive the fee for the permit for shelters as an in-kind service worth approximately \$4,000 in staff time for each shelter.
- 3.1.13 Duty to Inform Public.** Omnitrans shall make every practicable effort to inform the community of the mechanisms in place for the public to report problems concerning the bus shelters, Amenity, and maintenance needs, which at a minimum is to provide contact information affixed to the shelter.
