

1 **WHEREAS**, pursuant to Government Code Sections 65350-65362, the Planning
2 Commission shall hold a public hearing for a proposed amendment to the General Plan and forward
3 a recommendation to the City Council for action; and

4 **WHEREAS**, on July 31, 2019, the Planning Commission of the City of Rialto conducted
5 a duly noticed public hearing, as required by law, on GPA No. 2019-0001, ZC No. 2019-0001,
6 and TTM No. 20237, took testimony, at which time it received input from staff, the city attorney,
7 and the applicant; heard public testimony; discussed GPA No. 2019-0001, ZC No. 2019-0001, and
8 TTM No. 20237; and closed the public hearing; and

9 **WHEREAS**, on July 31, 2019, the Planning Commission voted 6-0 (1 absence) to
10 recommend approval of GPA No. 2019-0001, ZC No. 2019-0001, and TTM No. 20237 to the City
11 Council; and

12 **WHEREAS**, on September 10, 2019, the City Council conducted a public hearing, as
13 required by law, on GPA No. 2019-0001, ZC No. 2019-0001, and TTM No. 20237, took testimony,
14 at which time it received input from staff, the city attorney, and the applicant; heard public
15 testimony, discussed GPA No. 2019-0001, ZC No. 2019-0001, and TTM No. 20237; and closed
16 the public hearing; and

17 **WHEREAS**, all legal prerequisites to the adoption of this Resolution have occurred.

18 **NOW, THEREFORE**, the City Council hereby finds, determines, and resolves as follows:

19 **SECTION 1.** The City Council hereby specifically finds that all of the facts set forth in the
20 recitals above of this Resolution are true and correct and incorporated herein.

21 **SECTION 2.** Based on substantial evidence presented to the City Council during the public
22 hearing conducted with regard to GPA No. 2019-0001, including written staff reports, verbal
23 testimony, project plans, other documents, and the conditions of approval stated herein, the City
24 Council hereby determines that GPA No. 2019-0001 satisfies the requirements of Government Code
25 Section 65358 pertaining to the findings which must be made precedent to amending a General Plan.
26 The findings are as follows:

- 27 1. That the proposed General Plan Amendment is in the public interest.
28

1 *This finding is supported by the following facts:*

2 The Site is surrounded on the north and east by existing single-family residential
3 neighborhoods, and on the immediate south to a recently entitled single-family residential
4 neighborhood (Wagon Wheel) that will soon begin construction. The density of the proposed
5 development is similar to the densities of other single-family residential subdivisions in the
6 nearby area, including: (i) the adjacent Wagon Wheel neighborhood, which is scheduled to
7 begin construction soon, (ii) Pepper Ridge, which is located approximately 650 feet to the east
8 of the project site, and (iii) California Knolls, which is located approximately 75 feet to the
9 northwest of the project site, all of which are designated Residential 12. The Project will
10 facilitate the development of detached single-family residences in keeping with the character
11 of the surrounding area.

12 The Project will facilitate the development of a neighborhood consisting of sixty (60)
13 detached single-family residences. Any member of the public seeking to purchase a new
14 home will be provided an opportunity to acquire a new high-quality residence within a high-
15 quality, well-maintained, gated neighborhood. An increase in the number of owner occupied
16 single-family residences will likely positively affect the median income of the City of Rialto,
17 albeit insignificantly. Furthermore, the development of sixty (60) detached single-family
18 residences will contribute to an increase in revenues collected in form of permit fees,
19 development impact fees, sales tax, and property tax. In addition, the Site is mostly vacant
20 unimproved land, with the exception of one (1) single-family residence and an abandoned
21 poultry farm, and the general plan amendment and development of single-family residences
22 will reduce existing blight and adverse effects of an empty, vacant lot, and an abandoned
23 poultry farm surrounded by urban uses.

24 **SECTION 3.** An Initial Study (Environmental Assessment Review No. 2019-0002) has
25 been prepared for GPA No. 2019-0001 in accordance with the California Environmental Quality Act
26 (CEQA). Based on the findings and recommended mitigation with the Initial Study, staff determined
27 that the project will not have an adverse impact on the environment, provided that mitigation measures
28 are implemented, and a Mitigated Negative Declaration was prepared. The local newspaper published
a copy of the Notice of Intent to adopt the Mitigated Negative Declaration for the project, and the City
mailed the notice to all property owners within 300 feet of the project site for a public comment period
held from June 20, 2019 to July 9, 2019. The Mitigated Negative Declaration was prepared in
accordance with CEQA. The City Council hereby adopts the Mitigated Negative Declaration and
directs the Planning Division to file the necessary documentation with the Clerk of the Board of
Supervisors for San Bernardino County.

1 **SECTION 4.** The City Council hereby approves GPA No. 2019-0001 to change the land
2 use designation of the Site to Residential 12, in accordance with the applications on file with the
3 Planning Division, subject to the following conditions:

- 4
- 5 1. GPA No. 2019-0001 is approved changing the land use designation of approximately 8.74
6 net acres of land (APNs: 0131-131-13, -14, & -23) located on the east side of Acacia
7 Avenue approximately 775 feet north of Randall Avenue, and described in the legal
8 description attached as Exhibit A, to Residential 12. If the Conditions of Approval
9 specified herein are not satisfied or otherwise completed, the Project shall be subject to
10 revocation.
- 11 2. City inspectors shall have access to the Site to reasonably inspect the Site during normal
12 working hours to assure compliance with these conditions and other codes.
- 13 3. The applicant shall defend, indemnify and hold harmless the City of Rialto, its agents,
14 officers, or employees from any claims, damages, action, or proceeding against the City
15 or its agents, officers, or employees to attack, set aside, void, or annul any approval of
16 the City, its advisory agencies, appeal boards, or legislative body concerning GPA No.
17 2019-0001. The City will promptly notify the applicant of any such claim, action, or
18 proceeding against the City, and applicant will cooperate fully in the defense.
- 19 4. In accordance with the provisions of Government Code Section 66020(d)(1), the
20 imposition of fees, dedications, reservations, or exactions for this Project, if any, are
21 subject to protest by the applicant at the time of approval or conditional approval of the
22 Project or within 90 days after the date of the imposition of the fees, dedications,
23 reservations, or exactions imposed on the Project.
- 24 5. The applicant shall annex the Site within a Community Facilities District to offset
25 operational costs to the City's General Fund associated with GPA No. 2019-0001, as
26 determined by the Fiscal Impact Analysis prepared by Stanley R. Hoffman Associates,
27 Inc., dated May 24, 2019, prior to the issuance of any building permits.
- 28 6. The applicant shall comply with all conditions of approval contained in ZC No. 2019-
0001 and TTM No. 20237, to the extent they are not in conflict with any condition of
approval herein.

SECTION 5. The Mayor shall sign the passage and adoption of this resolution and thereupon the same shall take effect and be in force.

PASSED, APPROVED AND ADOPTED this 10th day of September, 2019.
