AB 2766/MSRC LOCAL GOVERNMENT PARTNERSHIP PROGRAM CONTRACT

1. PARTIES

The parties to this contract ("Contract") are the South Coast Air Quality Management District (referred to here as "SCAQMD") whose address is 21865 Copley Drive, Diamond Bar, California 91765-4178, and the City of Rialto (referred to here as "CONTRACTOR") whose address is 150 S. Palm Avenue, Rialto, California 92376.

2. RECITALS

- A. SCAQMD is the local agency with primary responsibility for regulating stationary source air pollution within the geographical boundaries of the South Coast Air Quality Management District in the State of California (State). SCAQMD is authorized under State Health & Safety Code Section 44225 (AB 2766) to levy a fee on motor vehicles for the purpose of reducing air pollution from such vehicles and to implement the California Clean Air Act.
- B. Under AB 2766, SCAQMD's Governing Board has authorized the imposition of the statutorily set motor vehicle fee. By taking such action, the State's Department of Motor Vehicles (DMV) is required to collect such fee and remit it periodically to SCAQMD.
- C. AB 2766 further mandates that thirty (30) percent of such vehicle registration fees be placed by SCAQMD into a separate account for the sole purpose of implementing and monitoring programs to reduce air pollution from motor vehicles.
- D. AB 2766 creates a regional Mobile Source Air Pollution Reduction Review Committee (MSRC) to develop a work program to fund projects from the separate account. Pursuant to approval of the work program by SCAQMD's Governing Board, SCAQMD authorized this Contract with CONTRACTOR for equipment or services described in Attachment 1 - Statement of Work, expressly incorporated herein by this reference and made a part hereof of this Contract.
- E. CONTRACTOR has met the requirements for receipt of AB 2766 Discretionary Funds as set forth in CONTRACTOR's Local Government Partnership Program Proposal dated July 31, 2018.
- F. CONTRACTOR is authorized to do business in the State of California and attests that it is in good tax standing with the California Franchise Tax Board.
- G. All parties to this Contract have had the opportunity to have this Contract reviewed by their attorney.

3. DMV FEES

CONTRACTOR acknowledges that SCAQMD cannot guarantee that the amount of fees to be collected under AB 2766 will be sufficient to fund this Contract. CONTRACTOR further acknowledges that payment under this Contract is contingent upon SCAQMD receiving sufficient funds from the DMV, and that SCAQMD assumes no responsibility for the collection and remittance of motor vehicle registration fees.

4. AUDIT AND RECORDS RETENTION

- A. CONTRACTOR shall, at least once every two years, or within two years of the termination of the Contract if the term is less than two years, be subject to an audit by SCAQMD or its authorized representative to determine if the revenues received by CONTRACTOR were spent for the reduction of pollution from motor vehicles pursuant to the Clean Air Act of 1988.
- B. CONTRACTOR agrees to maintain records related to this Contract during the Contract term and continue to retain these records for a period of two years beyond the Contract term, except that in no

case shall CONTRACTOR be required to retain more than the most recent five years' records. SCAQMD shall coordinate such audit through CONTRACTOR'S audit staff.

- C. If an amount is found to be inappropriately expended, SCAQMD may withhold funding, or seek reimbursement, from CONTRACTOR in the amount equal to the amount that was inappropriately expended. Such withholding shall not be construed as SCAQMD's sole remedy and shall not relieve CONTRACTOR of its obligation to perform under the terms of this Contract.

5. TERM

The term of this Contract is for fifty three (53) months from the date of execution by both parties, unless terminated earlier as provided for in the TERMINATION clause of this Contract, the EARLY TERMINATION clause, or the term is extended by amendment of this Contract in writing. No work shall commence prior to the Contract start date, except at CONTRACTOR's cost and risk, and no charges are authorized until this Contract is fully executed, subject to the provisions stated in the PRE-CONTRACT COSTS clause of this Contract.

6. SUCCESSORS-IN-INTEREST

This Contract, and the obligations arising under the Contract, shall be binding on and inure to the benefit of CONTRACTOR and their executors, administrators, successors, and assigns.

7. REPORTING

CONTRACTOR shall submit reports to SCAQMD as outlined in Attachment 1 - Statement of Work. SCAQMD reserves the right to review, comment, and request changes to any report produced as a result of this Contract.

8. TERMINATION

- A. In the event any party fails to comply with any term or condition of this Contract, or fails to provide services in the manner agreed upon by the parties, including, but not limited to, the requirements of Attachment 1 - Statement of Work, this failure shall constitute a breach of this Contract. The non-breaching party shall notify the breaching party that it must cure this breach or provide written notification of its intention to terminate this contract. Notification shall be provided in the manner set forth in the NOTICES clause of this Contract. The non-breaching party reserves all rights under law and equity to enforce this Contract and recover damages.
- B. SCAQMD reserves the right to terminate this Contract, in whole or in part, without cause, upon thirty (30) days' written notice. Once such notice has been given, CONTRACTOR shall, except as and to the extent or directed otherwise by SCAQMD, discontinue any Work being performed under this Contract and cancel any of CONTRACTOR's orders for materials, facilities, and supplies in connection with such Work, and shall use its best efforts to procure termination of existing subcontracts upon terms satisfactory to SCAQMD. Thereafter, CONTRACTOR shall perform only such services as may be necessary to preserve and protect any Work already in progress and to dispose of any property as requested by SCAQMD.
- C. CONTRACTOR shall be paid in accordance with this Contract for all Work performed before the effective date of termination under section B of the TERMINATION clause of this Contract. Before expiration of the thirty (30) days' written notice, CONTRACTOR shall promptly deliver to SCAQMD all copies of documents and other information and data prepared or developed by CONTRACTOR under this Contract with the exception of a record copy of such materials, which may be retained by CONTRACTOR.

9. EARLY TERMINATION

This Contract may be terminated early due to the following circumstances: The infrastructure identified in Attachment 1, Statement of Work, becomes inoperable, and is either not technically able to be repaired, or is too costly to repair, and such failure is not caused by CONTRACTOR's negligence, misuse, or malfeasance.

10. STOP WORK

SCAQMD may, at any time, by written notice to CONTRACTOR, require CONTRACTOR to stop all or any part of the Statement of Work tasks in this Contract. A stop work order may be issued for reasons including, but not limited to, the project exceeding the budget, out of scope work, delay in project schedule, or misrepresentations. Upon receipt of the stop work order, CONTRACTOR shall immediately take all necessary steps to comply with the order. CONTRACTOR shall resume the work only upon receipt of written instructions from SCAQMD cancelling the stop work order. CONTRACTOR agrees and understands that CONTRACTOR will not be paid for performing work while the stop work order is in effect, unless SCAQMD agrees to do so in its written cancellation of the stop work order.

11. INSURANCE

CONTRACTOR represents that it is permissibly self-insured and will maintain such self-insurance in accordance with applicable provisions of California law throughout the term of this Contract. CONTRACTOR shall provide evidence of sufficient coverage during the term of this Contract and any extensions thereof that meet or exceed the minimum requirements set forth by the SCAQMD below. The certificate of self-insurance shall be mailed to: SCAQMD, 21865 Copley Drive, Diamond Bar, CA 91765-4178, Attention: Cynthia Ravenstein, MSRC Contracts Administrator. **The SCAQMD Contract Number must be included on the face of the certificate.** If CONTRACTOR fails to maintain the required insurance coverage, SCAQMD reserves the right to terminate the Contract or purchase such additional insurance and bill CONTRACTOR or deduct the cost thereof from any payments owed to CONTRACTOR. Minimum insurance coverages are as follows:

- A. Worker's compensation insurance in accordance with either California or other state's applicable statutory requirements.
- B. General Liability insurance with a limit of at least \$1,000,000 per occurrence, and \$2,000,000 in general aggregate.
- C. Automobile Liability insurance with limits of at least \$100,000 per person and \$300,000 per accident for bodily injuries and \$50,000 in property damage, or \$1,000,000 combined single limit for bodily injury or property damage.

12. INDEMNIFICATION

CONTRACTOR agrees to hold harmless, defend and indemnify SCAQMD, its officers, employees, agents, representatives, and successors-in-interest against any and all loss, damage, costs, lawsuits, claims, demands, causes of action, judgments, attorney's fees, or any other expenses arising from or related to any third party claim against SCAQMD, its officers, employees, agents, representatives, or successors in interest that arise or result in whole or in part, from any actual or alleged act or omission of CONTRACTOR, its employees, subcontractors, agents or representatives in the performance of this Contract. This Indemnification Clause shall survive the expiration or termination (for any reason) of the Contract and shall remain in full force and effect.

13. DISCLAIMER OF WARRANTY

The purchase or lease of funded vehicles/equipment is the CONTRACTOR's decision. The SCAQMD does not make any express or implied warranty of merchantability, fitness for a particular purpose or otherwise, quality or usefulness of the technology or product. Without limiting the foregoing, the SCAQMD will not be financially responsible, or otherwise liable, for the installation or performance of the vehicle/equipment.

14. PAYMENT

- A. SCAQMD shall reimburse CONTRACTOR up to a total amount of One Hundred Thirty Five Thousand Nine Hundred Eighty Dollars (\$135,980) in accordance with Attachment 2 - Payment Schedule expressly incorporated herein by this reference and made a part hereof of the Contract.
- B. A withhold amount or percentage (if any) shall be identified in the Payment Schedule, and such amount shall be withheld from each invoice. Upon satisfactory completion of project and final acceptance of work and the final report, CONTRACTOR's invoice for the withheld amount shall be released. Proof of project completion shall include a Final Report detailing the project goals and accomplishments, data collected during project performance, if any, documentation of significant results, and emissions reduction input data needed for calculation of emissions reductions.
- C. Any funds not expended upon early Contract termination or Contract completion shall revert to the AB 2766 Discretionary Fund. Payment of charges shall be made by SCAQMD to CONTRACTOR within thirty (30) days after approval by SCAQMD of an itemized invoice prepared and furnished by CONTRACTOR.
- D. An invoice submitted to SCAQMD for payment must be prepared in duplicate, on company letterhead, and list SCAQMD's contract number, period covered by invoice, and CONTRACTOR's social security number or Employer Identification Number and submitted to:

South Coast Air Quality Management District
21865 Copley Drive
Diamond Bar, CA 91765-4178
Attn: Cynthia Ravenstein, MSRC Contracts Administrator

1. Charges for equipment, material, and supply costs, travel expenses, subcontractors, and other charges, as applicable, must be itemized by CONTRACTOR. Reimbursement for equipment, material, supplies, subcontractors, and other charges, as applicable, shall be made at actual cost. Supporting documentation must be provided for all individual charges (with the exception of direct labor charges provided by CONTRACTOR).
2. SCAQMD shall pay CONTRACTOR for travel-related expenses only if such travel is expressly set forth in Attachment 2 - Payment Schedule of this Contract or pre-authorized by SCAQMD in writing.
3. CONTRACTOR's failure to provide receipts shall be grounds for SCAQMD's non-reimbursement of such charges. CONTRACTOR may reduce payments on invoices by those charges for which receipts were not provided.
4. CONTRACTOR must submit final invoice no later than ninety (90) days after the termination date of this Contract or invoice may not be paid.

15. COMPLIANCE WITH APPLICABLE LAWS

CONTRACTOR agrees to comply with all federal, state, and local laws, ordinances, codes and regulations and orders of public authorities in the performance of this Contract. CONTRACTOR must also ensure that the vehicles and/or equipment to be purchased, leased or installed in the performance of this Contract are in compliance with all applicable federal, state, and local air quality rules and regulations, and that it will

maintain compliance for the full Contract term. CONTRACTOR shall ensure that the provisions of this clause are included in all subcontracts.

16. MOBILE SOURCE EMISSION REDUCTION CREDITS (MSERCs)

- A. The MSRC has adopted a policy that no MSERCs resulting from AB 2766 Discretionary Funds may be generated and/or sold.
- B. CONTRACTOR has the opportunity to generate MSERCs as a by-product of the project if a portion of the air quality benefits attributable to the project resulted from funding sources other than AB2766. These MSERCs, which are issued by SCAQMD, are based upon the quantified vehicle miles traveled (VMT) by project vehicles or other activity data as appropriate. Therefore, a portion of prospective MSERCs, generated as a result of AB 2766 Funds, must be retired. The portion of prospective credits funded by the AB 2766 program, and which are subject to retirement, shall be referred to as "AB 2766-MSERCs."
- C. The determination of AB 2766-MSERC's is to be prorated based upon the AB 2766 program's contribution to the cost associated with the air quality benefits. In the case where AB 2766 Discretionary Funds are used to pay for the full differential cost of a new alternative fuel vehicle or for the retrofitting or repowering of an existing vehicle, all MSERCs attributable to AB 2766 Discretionary Funds must be retired. The determination of AB 2766-MSERCs for infrastructure and other ancillary items is to be prorated based upon the AB 2766 program's contribution to the associated air quality benefits. Determination of the project's overall cost will be on a case-by-case basis at the time an MSERC application is submitted. SCAQMD staff, at the time an MSERC application is submitted, will calculate total MSERCs and retire the AB 2766-MSERCs. CONTRACTOR would then receive the balance of the MSERCs not associated with AB 2766 funding.

17. NOTICES

All notices that are required under this Contract shall be provided in the manner set forth herein, unless specified otherwise. Notice to a party shall be delivered to the attention of the person listed below, or to such other person or persons as may hereafter be designated by that party in writing. In the case of a nationally recognized overnight courier service, notice shall be deemed received when delivered (written receipt of delivery).

19. SUBCONTRACTOR APPROVAL

If CONTRACTOR intends to subcontract all or a portion of the work under this Contract, then CONTRACTOR must first obtain written approval from SCAQMD's Executive Officer or designee prior to subcontracting any work. Such prior approval applies only to subcontractors not already included in Attachment 1, Statement of Work. Any material changes to the subcontract(s) that affect the scope of work, deliverable schedule, and/or payment/cost schedule shall also require the prior written approval of the Executive Officer or designee. CONTRACTOR acknowledges and agrees that SCAQMD shall have all lien rights as a secured creditor on any and all equipment purchased in whole or in part by the CONTRACTOR, under this Contract or any amendments thereto. The SCAQMD shall have lien rights in effect until the CONTRACTOR satisfies all terms under the Contract, including but not limited to, the use and reporting requirements. **Accordingly, CONTRACTOR further agrees that SCAQMD is authorized to file a UCC filing statement or similar security instrument to secure its interests in the equipment that is the subject of the Contract.** In the event CONTRACTOR files for bankruptcy protection, CONTRACTOR shall notify SCAQMD within 10 business days of such filing.

22. NON-DISCRIMINATION

In the performance of this Contract, CONTRACTOR shall not unlawfully discriminate, harass or allow harassment, against any employee or applicant for employment on the basis of race, religious creed, color, national origin, ancestry, sex, sexual orientation, age, mental status, medical condition, physical or mental disability, denial of family and medical care leave, denial of pregnancy disability leave, or reasonable accommodations. 23. CITIZENSHIP AND ALIEN STATUS

- A. CONTRACTOR warrants that it fully complies with all laws regarding the employment of aliens and others, and that its employees performing services hereunder meet the citizenship or alien status requirements contained in federal and state statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603). - B. CONTRACTOR shall retain such documentation for all covered employees for the period described by law. CONTRACTOR shall indemnify, defend, and hold harmless SCAQMD, its officers and employees from employer sanctions and other liability which may be assessed against CONTRACTOR or SCAQMD, or both in connection with any alleged violation of federal statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

CONTRACTOR shall inform the proposed assignee, buyer, licensee or transferee (collectively referred to here as "Buyer") of the terms of this Contract. CONTRACTOR is responsible for establishing contact between SCAQMD and the Buyer and shall assist SCAQMD in facilitating the transfer of this Contract's terms and conditions to the Buyer. **CONTRACTOR will not be relieved of the legal obligation to fulfill the terms and conditions of this Contract until and unless the Buyer has assumed responsibility of this Contract's terms and conditions through an executed contract with SCAQMD.**

25. NON-EFFECT OF WAIVER

The failure of CONTRACTOR or SCAQMD to insist upon the performance of any or all of the terms, covenants, or conditions of this Contract, or failure to exercise any rights or remedies hereunder, shall not be construed as a waiver or relinquishment of the future performance of any such terms, covenants, or conditions, or of the future exercise of such rights or remedies, unless otherwise provided for herein.

26. TAX IMPLICATIONS FROM RECEIPT OF MSRC FUNDS

CONTRACTOR is advised to consult a tax attorney regarding potential tax implications from receipt of MSRC funds.

33. PRE-CONTRACT COSTS

Any costs incurred by CONTRACTOR prior to CONTRACTOR receipt of a fully executed Contract shall be incurred solely at the risk of the CONTRACTOR. In the event that this Contract is not executed, neither the MSRC nor the SCAQMD shall be liable for any amounts expended in anticipation of a fully executed Contract. If this Contract is fully executed, pre-contract cost expenditures authorized by the Contract will be reimbursed in accordance with the Payment Schedule and payment provision of the Contract.

34. CHANGE TERMS

Changes to any part of this Contract must be requested in writing by CONTRACTOR and approved by MSRC in accordance with MSRC policies and procedures. CONTRACTOR must make requests a minimum of 90 days prior to desired effective date of change. All modifications to this Contract shall be in writing and signed by the authorized representatives of the parties. Fueling station location changes shall not be approved under any circumstances.

35. PREVAILING WAGES

CONTRACTOR is alerted to the prevailing wage requirements of California Labor Code section 1770 et seq., and the compliance monitoring and enforcement of such requirements by the Department of Industrial Relations ("DIR"). CONTRACTOR and all of CONTRACTOR's subcontractors must comply with the California Public Works Contractor Registration Program and, where applicable, must be registered with the DIR to participate in public works projects. CONTRACTOR shall be responsible for determining the applicability of the provisions of California Labor Code and complying with the same, including, without limitation, obtaining from the Director of the Department of Industrial Relations the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work, making the same available to any interested party upon request, paying any applicable prevailing rates, posting copies thereof at the job site and flowing all applicable prevailing wage rate requirements to its subcontractors. Proof of compliance with these requirements must be provided to SCAQMD upon request. CONTRACTOR shall indemnify,

defend and hold harmless the South Coast Air Quality Management District against any and all claims, demands, damages, defense costs or liabilities based on failure to adhere to the above referenced statutes.

36. ENTIRE CONTRACT

- C. Should CONTRACTOR sell, lease, transfer, assign or otherwise divest itself of the vehicles during the three year period referred to above, notice shall be provided to SCAQMD no less than 30 days preceding the day the sale, lease, transfer, or assignment is effectuated. The agreement effectuating the sale, lease, transfer or assignment shall state that the SCAQMD is an intended third-party beneficiary of the agreement and shall include the following requirement: the obligation to accrue mileage within the South Coast Air Quality Management District shall be a continuing obligation of the subsequent purchaser, lessee, transferee, successor in interest, heir or assign and shall remain in full force and effect until the expiration of the three year operation period. This obligation shall be passed down to any subsequent purchaser, lessee or transferee during this three year term and SCAQMD shall be an intended third-party beneficiary of any subsequent agreement. Upon receiving notice of any subsequent sale, lease, transfer, assignment or other divestiture, SCAQMD may elect to either require the reimbursement specified above, or require the subsequent purchaser, lessee, transferee or assignee to comply with the continuing obligation to operate the vehicle for a period of no less than three (3) years from the date the vehicle entered service (new vehicles). 4. Display of MSRC Logo

CONTRACTOR agrees to permanently display one MSRC decal in a prominent location on each vehicle purchased pursuant to this Contract. Decals will be provided by SCAQMD upon notification that each subject vehicle becomes operational. Decals are approximately twelve (12) inches in height and eighteen (18) inches in width (Note: a smaller decal may be provided if CONTRACTOR demonstrates that application of the standard decal is not feasible). CONTRACTOR shall maintain the decal for the life of the equipment subject to this Contract. Should any decal become damaged, faded, or otherwise unreadable, CONTRACTOR shall request a replacement decal from SCAQMD and apply the new decal in the same or other prominent location. SCAQMD shall not be responsible for damage to paint or other surfaces arising from application or removal of decals.

5. Promotion

CONTRACTOR shall prepare and submit a proposed Public Outreach Plan to promote the MSRC's co-funding of the vehicles and EV charging stations. Acceptable outreach may include, but is not limited to, notices in CONTRACTOR mailings to residents, newspaper notices, flyers, and information items at CONTRACTOR Board meetings and community events. AB 2766/MSRC LOCAL GOVERNMENT PARTNERSHIP PROGRAM CONTRACT

1. PARTIES

The parties to this contract ("Contract") are the South Coast Air Quality Management District (referred to here as "SCAQMD") whose address is 21865 Copley Drive, Diamond Bar, California 91765-4178, and the City of Rialto (referred to here as "CONTRACTOR") whose address is 150 S. Palm Avenue, Rialto, California 92376.

2. RECITALS

- A. SCAQMD is the local agency with primary responsibility for regulating stationary source air pollution within the geographical boundaries of the South Coast Air Quality Management District in the State of California (State). SCAQMD is authorized under State Health & Safety Code Section 44225 (AB 2766) to levy a fee on motor vehicles for the purpose of reducing air pollution from such vehicles and to implement the California Clean Air Act.
- B. Under AB 2766, SCAQMD's Governing Board has authorized the imposition of the statutorily set motor vehicle fee. By taking such action, the State's Department of Motor Vehicles (DMV) is required to collect such fee and remit it periodically to SCAQMD.
- C. AB 2766 further mandates that thirty (30) percent of such vehicle registration fees be placed by SCAQMD into a separate account for the sole purpose of implementing and monitoring programs to reduce air pollution from motor vehicles.
- D. AB 2766 creates a regional Mobile Source Air Pollution Reduction Review Committee (MSRC) to develop a work program to fund projects from the separate account. Pursuant to approval of the work program by SCAQMD's Governing Board, SCAQMD authorized this Contract with CONTRACTOR for equipment or services described in Attachment 1 - Statement of Work, expressly incorporated herein by this reference and made a part hereof of this Contract.
- E. CONTRACTOR has met the requirements for receipt of AB 2766 Discretionary Funds as set forth in CONTRACTOR's Local Government Partnership Program Proposal dated July 31, 2018.
- F. CONTRACTOR is authorized to do business in the State of California and attests that it is in good tax standing with the California Franchise Tax Board.
- G. All parties to this Contract have had the opportunity to have this Contract reviewed by their attorney.

3. DMV FEES

CONTRACTOR acknowledges that SCAQMD cannot guarantee that the amount of fees to be collected under AB 2766 will be sufficient to fund this Contract. CONTRACTOR further acknowledges that payment under this Contract is contingent upon SCAQMD receiving sufficient funds from the DMV, and that SCAQMD assumes no responsibility for the collection and remittance of motor vehicle registration fees.

4. AUDIT AND RECORDS RETENTION

- A. CONTRACTOR shall, at least once every two years, or within two years of the termination of the Contract if the term is less than two years, be subject to an audit by SCAQMD or its authorized representative to determine if the revenues received by CONTRACTOR were spent for the reduction of pollution from motor vehicles pursuant to the Clean Air Act of 1988.
- B. CONTRACTOR agrees to maintain records related to this Contract during the Contract term and continue to retain these records for a period of two years beyond the Contract term, except that in no

case shall CONTRACTOR be required to retain more than the most recent five years' records. SCAQMD shall coordinate such audit through CONTRACTOR'S audit staff.

- C. If an amount is found to be inappropriately expended, SCAQMD may withhold funding, or seek reimbursement, from CONTRACTOR in the amount equal to the amount that was inappropriately expended. Such withholding shall not be construed as SCAQMD's sole remedy and shall not relieve CONTRACTOR of its obligation to perform under the terms of this Contract.

5. TERM

The term of this Contract is for fifty three (53) months from the date of execution by both parties, unless terminated earlier as provided for in the TERMINATION clause of this Contract, the EARLY TERMINATION clause, or the term is extended by amendment of this Contract in writing. No work shall commence prior to the Contract start date, except at CONTRACTOR's cost and risk, and no charges are authorized until this Contract is fully executed, subject to the provisions stated in the PRE-CONTRACT COSTS clause of this Contract.

6. SUCCESSORS-IN-INTEREST

This Contract, and the obligations arising under the Contract, shall be binding on and inure to the benefit of CONTRACTOR and their executors, administrators, successors, and assigns.

7. REPORTING

CONTRACTOR shall submit reports to SCAQMD as outlined in Attachment 1 - Statement of Work. SCAQMD reserves the right to review, comment, and request changes to any report produced as a result of this Contract.

8. TERMINATION

- A. In the event any party fails to comply with any term or condition of this Contract, or fails to provide services in the manner agreed upon by the parties, including, but not limited to, the requirements of Attachment 1 - Statement of Work, this failure shall constitute a breach of this Contract. The non-breaching party shall notify the breaching party that it must cure this breach or provide written notification of its intention to terminate this contract. Notification shall be provided in the manner set forth in the NOTICES clause of this Contract. The non-breaching party reserves all rights under law and equity to enforce this Contract and recover damages.
- B. SCAQMD reserves the right to terminate this Contract, in whole or in part, without cause, upon thirty (30) days' written notice. Once such notice has been given, CONTRACTOR shall, except as and to the extent or directed otherwise by SCAQMD, discontinue any Work being performed under this Contract and cancel any of CONTRACTOR's orders for materials, facilities, and supplies in connection with such Work, and shall use its best efforts to procure termination of existing subcontracts upon terms satisfactory to SCAQMD. Thereafter, CONTRACTOR shall perform only such services as may be necessary to preserve and protect any Work already in progress and to dispose of any property as requested by SCAQMD.
- C. CONTRACTOR shall be paid in accordance with this Contract for all Work performed before the effective date of termination under section B of the TERMINATION clause of this Contract. Before expiration of the thirty (30) days' written notice, CONTRACTOR shall promptly deliver to SCAQMD all copies of documents and other information and data prepared or developed by CONTRACTOR under this Contract with the exception of a record copy of such materials, which may be retained by CONTRACTOR.

9. EARLY TERMINATION

This Contract may be terminated early due to the following circumstances: The infrastructure identified in Attachment 1, Statement of Work, becomes inoperable, and is either not technically able to be repaired, or is too costly to repair, and such failure is not caused by CONTRACTOR's negligence, misuse, or malfeasance.

10. STOP WORK

SCAQMD may, at any time, by written notice to CONTRACTOR, require CONTRACTOR to stop all or any part of the Statement of Work tasks in this Contract. A stop work order may be issued for reasons including, but not limited to, the project exceeding the budget, out of scope work, delay in project schedule, or misrepresentations. Upon receipt of the stop work order, CONTRACTOR shall immediately take all necessary steps to comply with the order. CONTRACTOR shall resume the work only upon receipt of written instructions from SCAQMD cancelling the stop work order. CONTRACTOR agrees and understands that CONTRACTOR will not be paid for performing work while the stop work order is in effect, unless SCAQMD agrees to do so in its written cancellation of the stop work order.

11. INSURANCE

CONTRACTOR represents that it is permissibly self-insured and will maintain such self-insurance in accordance with applicable provisions of California law throughout the term of this Contract. CONTRACTOR shall provide evidence of sufficient coverage during the term of this Contract and any extensions thereof that meet or exceed the minimum requirements set forth by the SCAQMD below. The certificate of self-insurance shall be mailed to: SCAQMD, 21865 Copley Drive, Diamond Bar, CA 91765-4178, Attention: Cynthia Ravenstein, MSRC Contracts Administrator. **The SCAQMD Contract Number must be included on the face of the certificate.** If CONTRACTOR fails to maintain the required insurance coverage, SCAQMD reserves the right to terminate the Contract or purchase such additional insurance and bill CONTRACTOR or deduct the cost thereof from any payments owed to CONTRACTOR. Minimum insurance coverages are as follows:

- A. Worker's compensation insurance in accordance with either California or other state's applicable statutory requirements.
- B. General Liability insurance with a limit of at least \$1,000,000 per occurrence, and \$2,000,000 in general aggregate.
- C. Automobile Liability insurance with limits of at least \$100,000 per person and \$300,000 per accident for bodily injuries and \$50,000 in property damage, or \$1,000,000 combined single limit for bodily injury or property damage.

12. INDEMNIFICATION

CONTRACTOR agrees to hold harmless, defend and indemnify SCAQMD, its officers, employees, agents, representatives, and successors-in-interest against any and all loss, damage, costs, lawsuits, claims, demands, causes of action, judgments, attorney's fees, or any other expenses arising from or related to any third party claim against SCAQMD, its officers, employees, agents, representatives, or successors in interest that arise or result in whole or in part, from any actual or alleged act or omission of CONTRACTOR, its employees, subcontractors, agents or representatives in the performance of this Contract. This Indemnification Clause shall survive the expiration or termination (for any reason) of the Contract and shall remain in full force and effect.

13. DISCLAIMER OF WARRANTY

The purchase or lease of funded vehicles/equipment is the CONTRACTOR's decision. The SCAQMD does not make any express or implied warranty of merchantability, fitness for a particular purpose or otherwise, quality or usefulness of the technology or product. Without limiting the foregoing, the SCAQMD will not be financially responsible, or otherwise liable, for the installation or performance of the vehicle/equipment.

14. PAYMENT

- A. SCAQMD shall reimburse CONTRACTOR up to a total amount of One Hundred Thirty Five Thousand Nine Hundred Eighty Dollars (\$135,980) in accordance with Attachment 2 - Payment Schedule expressly incorporated herein by this reference and made a part hereof of the Contract.
- B. A withhold amount or percentage (if any) shall be identified in the Payment Schedule, and such amount shall be withheld from each invoice. Upon satisfactory completion of project and final acceptance of work and the final report, CONTRACTOR's invoice for the withheld amount shall be released. Proof of project completion shall include a Final Report detailing the project goals and accomplishments, data collected during project performance, if any, documentation of significant results, and emissions reduction input data needed for calculation of emissions reductions.
- C. Any funds not expended upon early Contract termination or Contract completion shall revert to the AB 2766 Discretionary Fund. Payment of charges shall be made by SCAQMD to CONTRACTOR within thirty (30) days after approval by SCAQMD of an itemized invoice prepared and furnished by CONTRACTOR.
- D. An invoice submitted to SCAQMD for payment must be prepared in duplicate, on company letterhead, and list SCAQMD's contract number, period covered by invoice, and CONTRACTOR's social security number or Employer Identification Number and submitted to:

South Coast Air Quality Management District
21865 Copley Drive
Diamond Bar, CA 91765-4178
Attn: Cynthia Ravenstein, MSRC Contracts Administrator

1. Charges for equipment, material, and supply costs, travel expenses, subcontractors, and other charges, as applicable, must be itemized by CONTRACTOR. Reimbursement for equipment, material, supplies, subcontractors, and other charges, as applicable, shall be made at actual cost. Supporting documentation must be provided for all individual charges (with the exception of direct labor charges provided by CONTRACTOR).
2. SCAQMD shall pay CONTRACTOR for travel-related expenses only if such travel is expressly set forth in Attachment 2 - Payment Schedule of this Contract or pre-authorized by SCAQMD in writing.
3. CONTRACTOR's failure to provide receipts shall be grounds for SCAQMD's non-reimbursement of such charges. CONTRACTOR may reduce payments on invoices by those charges for which receipts were not provided.
4. CONTRACTOR must submit final invoice no later than ninety (90) days after the termination date of this Contract or invoice may not be paid.

15. COMPLIANCE WITH APPLICABLE LAWS

CONTRACTOR agrees to comply with all federal, state, and local laws, ordinances, codes and regulations and orders of public authorities in the performance of this Contract. CONTRACTOR must also ensure that the vehicles and/or equipment to be purchased, leased or installed in the performance of this Contract are in compliance with all applicable federal, state, and local air quality rules and regulations, and that it will

maintain compliance for the full Contract term. CONTRACTOR shall ensure that the provisions of this clause are included in all subcontracts.

16. MOBILE SOURCE EMISSION REDUCTION CREDITS (MSERCs)

- A. The MSRC has adopted a policy that no MSERCs resulting from AB 2766 Discretionary Funds may be generated and/or sold.
- B. CONTRACTOR has the opportunity to generate MSERCs as a by-product of the project if a portion of the air quality benefits attributable to the project resulted from funding sources other than AB2766. These MSERCs, which are issued by SCAQMD, are based upon the quantified vehicle miles traveled (VMT) by project vehicles or other activity data as appropriate. Therefore, a portion of prospective MSERCs, generated as a result of AB 2766 Funds, must be retired. The portion of prospective credits funded by the AB 2766 program, and which are subject to retirement, shall be referred to as "AB 2766-MSERCs."
- C. The determination of AB 2766-MSERC's is to be prorated based upon the AB 2766 program's contribution to the cost associated with the air quality benefits. In the case where AB 2766 Discretionary Funds are used to pay for the full differential cost of a new alternative fuel vehicle or for the retrofitting or repowering of an existing vehicle, all MSERCs attributable to AB 2766 Discretionary Funds must be retired. The determination of AB 2766-MSERCs for infrastructure and other ancillary items is to be prorated based upon the AB 2766 program's contribution to the associated air quality benefits. Determination of the project's overall cost will be on a case-by-case basis at the time an MSERC application is submitted. SCAQMD staff, at the time an MSERC application is submitted, will calculate total MSERCs and retire the AB 2766-MSERCs. CONTRACTOR would then receive the balance of the MSERCs not associated with AB 2766 funding.

17. NOTICES

All notices that are required under this Contract shall be provided in the manner set forth herein, unless specified otherwise. Notice to a party shall be delivered to the attention of the person listed below, or to such other person or persons as may hereafter be designated by that party in writing. Such prior approval applies only to subcontractors not already included in Attachment 1, Statement of Work. Any material changes to the subcontract(s) that affect the scope of work, deliverable schedule, and/or payment/cost schedule shall also require the prior written approval of the Executive Officer or designee. CONTRACTOR acknowledges and agrees that SCAQMD shall have all lien rights as a secured creditor on any and all equipment purchased in whole or in part by the CONTRACTOR, under this Contract or any amendments thereto. The SCAQMD shall have lien rights in effect until the CONTRACTOR satisfies all terms under the Contract, including but not limited to, the use and reporting requirements. **Accordingly, CONTRACTOR further agrees that SCAQMD is authorized to file a UCC filing statement or similar security instrument to secure its interests in the equipment that is the subject of the Contract.** In the event CONTRACTOR files for bankruptcy protection, CONTRACTOR shall notify SCAQMD within 10 business days of such filing.

In the performance of this Contract, CONTRACTOR shall not unlawfully discriminate, harass or allow harassment, against any employee or applicant for employment on the basis of race, religious creed, color, national origin, ancestry, sex, sexual orientation, age, mental status, medical condition, physical or mental disability, denial of family and medical care leave, denial of pregnancy disability leave, or reasonable accommodations. 23. CITIZENSHIP AND ALIEN STATUS

- A. CONTRACTOR warrants that it fully complies with all laws regarding the employment of aliens and others, and that its employees performing services hereunder meet the citizenship or alien status requirements contained in federal and state statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603). Notwithstanding the above, CONTRACTOR, in the performance of this Contract, shall not discriminate against any person in violation of 8 USC Section 1324b.
- B. CONTRACTOR shall retain such documentation for all covered employees for the period described by law. CONTRACTOR shall indemnify, defend, and hold harmless SCAQMD, its officers and employees from employer sanctions and other liability which may be assessed against CONTRACTOR or SCAQMD, or both in connection with any alleged violation of federal statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

CONTRACTOR is responsible for establishing contact between SCAQMD and the Buyer and shall assist SCAQMD in facilitating the transfer of this Contract's terms and conditions to the Buyer. **CONTRACTOR will not be relieved of the legal obligation to fulfill the terms and conditions of this Contract until and unless the Buyer has assumed responsibility of this Contract's terms and conditions through an executed contract with SCAQMD.**

25. NON-EFFECT OF WAIVER

The failure of CONTRACTOR or SCAQMD to insist upon the performance of any or all of the terms, covenants, or conditions of this Contract, or failure to exercise any rights or remedies hereunder, shall not be construed as a waiver or relinquishment of the future performance of any such terms, covenants, or conditions, or of the future exercise of such rights or remedies, unless otherwise provided for herein.

26. TAX IMPLICATIONS FROM RECEIPT OF MSRC FUNDS

In the event that this Contract is not executed, neither the MSRC nor the SCAQMD shall be liable for any amounts expended in anticipation of a fully executed Contract. If this Contract is fully executed, pre-contract cost expenditures authorized by the Contract will be reimbursed in accordance with the Payment Schedule and payment provision of the Contract.

34. CHANGE TERMS

Changes to any part of this Contract must be requested in writing by CONTRACTOR and approved by MSRC in accordance with MSRC policies and procedures. CONTRACTOR must make requests a minimum of 90 days prior to desired effective date of change. All modifications to this Contract shall be in writing and signed by the authorized representatives of the parties. Fueling station location changes shall not be approved under any circumstances.

35. PREVAILING WAGES

CONTRACTOR and all of CONTRACTOR's subcontractors must comply with the California Public Works Contractor Registration Program and, where applicable, must be registered with the DIR to participate in public works projects. CONTRACTOR shall be responsible for determining the applicability of the provisions of California Labor Code and complying with the same, including, without limitation, obtaining from the Director of the Department of Industrial Relations the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work, making the same available to any interested party upon request, paying any applicable prevailing rates, posting copies thereof at the job site and flowing all applicable prevailing wage rate requirements to its subcontractors. Proof of compliance with these requirements must be provided to SCAQMD upon request. CONTRACTOR shall indemnify,

defend and hold harmless the South Coast Air Quality Management District against any and all claims, demands, damages, defense costs or liabilities based on failure to adhere to the above referenced statutes.

Each of the light-duty vehicles funded under this Contract must accrue at least 85% of its annual mileage or engine hours of operation within the geographical boundaries of the South Coast Air Quality Management District for a period of no less than three (3) years from the date the vehicle enters service (new vehicles). Should CONTRACTOR deviate from or fail to comply with this obligation, CONTRACTOR shall reimburse SCAQMD for a prorated share of the funds provided for the vehicle as indicated in the table below:

- C. Should CONTRACTOR sell, lease, transfer, assign or otherwise divest itself of the vehicles during the three year period referred to above, notice shall be provided to SCAQMD no less than 30 days preceding the day the sale, lease, transfer, or assignment is effectuated. The agreement effectuating the sale, lease, transfer or assignment shall state that the SCAQMD is an intended third-party beneficiary of the agreement and shall include the following requirement: the obligation to accrue mileage within the South Coast Air Quality Management District shall be a continuing obligation of the subsequent purchaser, lessee, transferee, successor in interest, heir or assign and shall remain in full force and effect until the expiration of the three year operation period. This obligation shall be passed down to any subsequent purchaser, lessee or transferee during this three year term and SCAQMD shall be an intended third-party beneficiary of any subsequent agreement. Upon receiving notice of any subsequent sale, lease, transfer, assignment or other divestiture, SCAQMD may elect to either require the reimbursement specified above, or require the subsequent purchaser, lessee, transferee or assignee to comply with the continuing obligation to operate the vehicle for a period of no less than three (3) years from the date the vehicle entered service (new vehicles). Notice of SCAQMD's election of remedies shall be provided to CONTRACTOR and any subsequent purchaser, lessee, transferee or assignee in a timely fashion.

3. Operation Requirements and Reimbursement for Noncompliance: EV Charging Stations

CONTRACTOR is obligated to comply with the Operational Availability requirements set forth as follows:

3 year Operational Availability Obligation Termination Occurs	Percentage of MSRC Funds to be Reimbursed
Within Year 1	100%
Between Years 1-2	66%
Between Years 2-3	33%
After Year 3	0%

- B. The appropriate reimbursable amount shall be paid to SCAQMD within sixty (60) days from the date the station ceases operation. 4. Display of MSRC Logo

CONTRACTOR agrees to permanently display one MSRC decal in a prominent location on each vehicle purchased pursuant to this Contract. Decals will be provided by SCAQMD upon notification that each subject vehicle becomes operational. CONTRACTOR shall maintain the decal for the life of the equipment subject to this Contract. Should any decal become damaged, faded, or otherwise unreadable, CONTRACTOR shall request a replacement decal from SCAQMD and apply the new decal in the same or other prominent location. SCAQMD shall not be responsible for damage to paint or other surfaces arising from application or removal of decals.

Acceptable outreach may include, but is not limited to, notices in CONTRACTOR mailings to residents, newspaper notices, flyers, and information items at CONTRACTOR Board meetings and community events. The Public Outreach Plan shall automatically be deemed approved 30 days following receipt by SCAQMD staff, unless SCAQMD staff notify CONTRACTOR in writing of a Public Outreach Plan deficiency. CONTRACTOR shall implement the approved Public Outreach Plan in accordance with the Project Schedule below.
