B. Backup Special Tax A for Developed Property

The Base Year Backup Special Tax A for Developed Property shall be the greater of (i) \$1,619 per Residential Unit or (ii) \$28,120 per Acre. For each Fiscal Year following the Base Year, the Backup Special Tax A shall be increased by two percent (2%) of the amount in effect the prior Fiscal Year.

For each subsequent Fiscal Year following the Base Year, the Maximum Special Tax A for Provisional Property and Undeveloped Property shall be increased by two percent (2%) of the amount in effect the prior Fiscal Year.

4. METHOD OF APPORTIONMENT

A. Special Tax A

For each Fiscal Year, commencing Fiscal Year 2020-21, the CFD Administrator shall levy the Special Tax A on all Taxable Property in accordance with the following steps:

Step 1: The Special Tax A shall be levied Proportionately on all Assessor's Parcels of Developed Property up to 100% of the applicable Assigned Special Tax A to satisfy the Special Tax Requirement for Facilities¹;

Step 2: If additional monies are needed to satisfy the Special Tax Requirement for Facilities after Step 1 has been completed, the Special Tax A shall be levied Proportionately on all Assessor's Parcels of Undeveloped Property up to 100% of the Maximum Special Tax A for Undeveloped Property;

Step 3: If additional monies are needed to satisfy the Special Tax Requirement for Facilities after the first two steps have been completed, then the Special Tax A amount determined in Step 1 shall be increased Proportionately on all Assessor's Parcels of Developed Property up to 100% of the Maximum Special Tax A for Developed Property; and

Step 4: If additional monies are needed to satisfy the Special Tax Requirement for Facilities after the first three steps have been completed, then the Special Tax A shall be levied Proportionately on all Assessor's Parcels of Provisional Property up to 100% of the Maximum Special Tax A for Provisional Property.

In the event Building Permits have been issued prior to May 1st of the previous Fiscal Year for one or more Residential Units on a single Assessor's Parcel causing such Assessor's Parcel to be classified as Developed Property, and the County has not yet assigned final Assessor's Parcel Number(s) to such Residential Unit(s) in accordance with the Final Map applicable to such Assessor's Parcel, then the amount of the Special Tax A levy on such Assessor's Parcel shall be determined as follows: (1) the CFD Administrator shall first determine an amount of the Maximum Special Tax A for such Assessor's Parcel, based on the classification of such Assessor's Parcel as Undeveloped Property; (2) the amount of the Special Tax A and levy for the Residential Units on such Assessor's Parcel for which Building Permits have been issued shall be determined based on the Assigned Special Tax

¹ It is recommended that the Special Tax Requirement for Facilities be at least 100% of the sum of Assigned Special Tax A on Developed Property in each year prior to the issuance of all Bonds. During this period, funds not used for other purposes may be used to pay directly for the acquisition or construction of facilities.

A for Developed Property, and such amount shall be levied as Developed Property in accordance with Step 1 above; and (3) the amount of the Special Tax A on the Taxable Property in such Assessor's Parcel not subject to the Special Tax A levy in clause (2) shall be equal to (A) the percentage of the Maximum Special Tax A rate levied on all other Undeveloped Property pursuant to Step 2 above multiplied by the total of the amount determined in clause (1), less (B) the amount determined in clause (2).

Notwithstanding the above, under no circumstances will the Special Tax A levied in any Fiscal Year against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased as a result of a delinquency or default in the payment of the Special Tax A applicable to any other Assessor's Parcel within CFD No. 2019-2 by more than ten percent (10%) above what would have been levied in the absence of such delinquencies or defaults.

B. Special Tax B

For each Fiscal Year, commencing Fiscal Year 2020-21, the CFD Administrator shall levy the Special Tax B Proportionately on all Assessor's Parcels of Developed Property up to 100% of the applicable Maximum Special Tax B to satisfy the Special Tax Requirement for Services.

5. COLLECTION OF SPECIAL TAXES

Collection of the Special Taxes shall be made by the County in the same manner as ordinary ad valorem property taxes are collected and the Special Taxes shall be subject to the same penalties and the same lien priority in the case of delinquency as ad valorem taxes; provided, however, that the Council may provide for (i) other means of collecting the Special Taxes, including direct billings thereof to the property owners; and (ii) judicial foreclosure of delinquent Special Taxes.

6. PREPAYMENT OF SPECIAL TAX A OBLIGATION

A. Prepayment in Full

Property owners may prepay and permanently satisfy the Special Tax A Obligation by a cash settlement with the City as permitted under Government Code Section 53344. The following definitions apply to this Section 6:

"CFD Public Facilities Costs" means \$3,800,000 or such lower number as (i) shall be determined by the CFD Administrator as sufficient to acquire or construct the facilities to be financed under the Act and financing program for CFD No. 2019-2, or (ii) shall be determined by the Council concurrently with a covenant that it will not issue any more Bonds (except refunding bonds).

"Construction Fund" means the fund (regardless of its name) established pursuant to the Indenture to hold funds, which are currently available for expenditure to acquire or construct the facilities or pay fees authorized to be funded by CFD No. 2019-2.

"Future Facilities Costs" means the CFD Public Facilities Costs minus (i) costs previously paid from the Construction Fund to acquire or construct the facilities, (ii) monies currently on deposit in the Construction Fund, and (iii) monies currently on deposit in an escrow or other designated fund of CFD No. 2019-2 that are expected to be available to finance CFD Public Facilities Costs.

“Outstanding Bonds” means all Previously Issued Bonds, which remain outstanding as of the first interest and/or principal payment date following the current Fiscal Year excluding Bonds to be redeemed at a later date with proceeds of prior Special Tax A prepayments.

“Previously Issued Bonds” means all Bonds that have been issued prior to the date of prepayment.

The Special Tax A Obligation applicable to an Assessor’s Parcel of Developed Property or Undeveloped Property that has been included in a Final Map may be prepaid and the obligation to pay the Special Tax A for such Assessor’s Parcel permanently satisfied as described herein, provided that a prepayment may be made with respect to a particular Assessor’s Parcel only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment. An owner of an Assessor’s Parcel eligible to prepay the Special Tax A Obligation shall provide the CFD Administrator with written notice of intent to prepay and designate or identify the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the Prepayment Amount for such Assessor’s Parcel within thirty (30) days of the request and may charge a reasonable fee for providing this service. Prepayment must be made at least 60 days prior to any redemption date for Outstanding Bonds to be redeemed with the proceeds of such prepaid Special Taxes, unless a shorter period is acceptable to the Trustee and the City.

The Prepayment Amount shall be calculated for each applicable Assessor’s Parcel or group of Assessor’s Parcels as follows (capitalized terms are defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
<u>less</u>	<u>Capitalized Interest Credit</u>
Equals:	Prepayment Amount

The Prepayment Amount shall be determined as of the proposed prepayment date as follows:

1. Confirm that no Special Tax delinquencies apply to such Parcel.
2. For Assessor’s Parcel of Developed Property, compute the Maximum Special Tax A for the Assessor’s Parcel as though all Assessor’s Parcels of Taxable Property within CFD No. 2019-2 have been built out. For an Assessor’s Parcel of Undeveloped Property for which a Building Permit has been issued, compute the Maximum Special Tax A for the Assessor’s Parcel as though it was already designated as Developed Property, based upon the Building Permit which has been issued for the Assessor’s Parcel. For an Assessor’s Parcel of Undeveloped Property for which a Building Permit has not been issued, Public Property or Property Owners’ Association Property to be prepaid, compute the Maximum Special Tax A for the Assessor’s Parcel.

3. Divide the Maximum Special Tax A derived pursuant to paragraph 2 by the estimated total amount of Special Tax A that could be levied at build out of all Assessor's Parcels of Taxable Property based on the applicable Maximum Special Tax A for all such Assessor's Parcels of Taxable Property not including any Parcels for which the Special Tax A Obligation has been previously prepaid.
4. Multiply the quotient derived pursuant to paragraph 3 by the principal amount of the Outstanding Bonds to determine the amount of Outstanding Bonds to be redeemed with the Prepayment Amount (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the "Redemption Premium").
6. Determine the Future Facilities Costs.
7. Multiply the quotient derived pursuant to paragraph 3 by the amount determined pursuant to paragraph 6 to determine the portion of the Future Facilities Costs applicable to the Assessor's Parcel (the "Future Facilities Amount").
8. Determine the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds on which Bonds can be redeemed from Special Tax A prepayments.
9. Determine the Special Tax A amount levied on the Assessor's Parcel in the current Fiscal Year which have not yet been paid.
10. Determine the amount the CFD Administrator reasonably expects to derive from the investment of the Bond Redemption Amount and the Redemption Premium from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the Prepayment Amount.
11. Add the amounts derived pursuant to paragraphs 8 and 9 and subtract the amount derived pursuant to paragraph 10 (the "Defeasance Amount").
12. Verify the administrative fees and expenses associated with the prepayment, including the cost to invest the Prepayment Amount, the cost of redeeming the Outstanding Bonds, and the cost of recording notices to evidence the prepayment of the Special Tax A Obligation for the Assessor's Parcel and the redemption of Outstanding Bonds (the "Administrative Fees and Expenses").
13. The reserve fund credit (the "Reserve Fund Credit") shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the

Indenture) in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.

14. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the quotient computed pursuant to paragraph 3 by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the “Capitalized Interest Credit”).
15. The amount to prepay the Special Tax A Obligation is equal to the sum of the Bond Redemption Amount, the Redemption Premium, the Future Facilities Amount, the Defeasance Amount and the Administrative Fees and Expenses, less the Reserve Fund Credit and the Capitalized Interest Credit.
16. From the Prepayment Amount, the Bond Redemption Amount, the Redemption Premium, and Defeasance Amount shall be deposited into the appropriate fund as established under the Indenture and be used to redeem Outstanding Bonds or make Debt Service payments. The Future Facilities Amount shall be deposited into the Construction Fund. The Administrative Fees and Expenses shall be retained by CFD No. 2019-2.

The Prepayment Amount may be sufficient to redeem an amount other than a \$5,000 increment of Outstanding Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to redeem Outstanding Bonds to be used with the next prepayment of Outstanding Bonds.

The CFD Administrator will confirm that all previously levied Special Taxes have been paid in full. With respect to any Assessor’s Parcel for which the Special Tax A Obligation is prepaid in full, once the CFD Administrator has confirmed that all previously levied Special Taxes have been paid, the Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Special Tax A and the release of the Special Tax A lien on such Assessor’s Parcel, and the obligation of the owner of such Assessor’s Parcel to pay the Special Tax A shall cease.

Notwithstanding the foregoing, no Special Tax A prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed prepayment is at least 1.1 times the Debt Service on all Outstanding Bonds in each Fiscal Year.

The Special Tax B may not be prepaid.

B. Partial Prepayment

The Special Tax A on an Assessor’s Parcel of Developed Property or Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section 6.A.; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (PE-A) \times F+A$$

These terms have the following meaning:

PP = the partial prepayment

P_E = the Prepayment Amount calculated according to Section 6.A

F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax A Obligation

A = the Prepayment Administrative Fees and Expenses from Section 6.A

The owner of any Assessor's Parcel who desires such partial prepayment shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Special Tax A Obligation, (ii) the percentage by which the Special Tax A Obligation shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax A Obligation for an Assessor's Parcel within sixty (60) days of the request and may charge a reasonable fee for providing this service.

With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section 6.A., and (ii) indicate in the records of CFD No. 2019-2 that there has been a partial prepayment of the Special Tax A Obligation and that a portion of the Special Tax A with respect to such Assessor's Parcel, equal to the outstanding percentage (1.00 - F) of the Maximum Special Tax A, shall continue to be levied on such Assessor's Parcel.

Notwithstanding the foregoing, no partial prepayment shall be allowed unless the aggregate amount of Maximum Special Tax A less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed partial prepayment is at least 1.1 times the Debt Service on all Outstanding Bonds in each Fiscal Year.

7. TERM OF SPECIAL TAX

The Special Tax A shall be levied as long as necessary to meet the Special Tax Requirement for Facilities for a period not to exceed forty-five (45) Fiscal Years commencing with Fiscal Year 2020-2021, provided however that the Special Tax may cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined that all required interest and principal payments on Outstanding Bonds have been paid.

The Special Tax B shall be levied in perpetuity as necessary to satisfy the Special Tax Requirement for Services.

8. EXEMPTIONS

The CFD Administrator shall classify as Exempt Property (i) Assessor's Parcels of Public Property, (ii) Assessor's Parcels of Property Owner Association Property, or (iii) Assessor's Parcels which are used as places of worship and are exempt from ad valorem property taxes because they are owned by a religious organization, (iv) Assessor's Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement, and (v) Assessor's Parcels classified as Non-Residential Property as determined reasonably by the CFD Administrator, provided that no such classification would reduce the sum of all Taxable Property in CFD No. 2019-2 to less than 10.1 Acres. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the sum of all Taxable Property in CFD No. 2019-2 to less than 10.1 Acres shall be classified as Provisional Property and will continue to be subject to the CFD No. 2019-2 Special Taxes accordingly. Tax exempt status for the purpose of this paragraph will be assigned by the CFD Administrator in the chronological order

in which property becomes eligible for classification as Exempt Property, except for Non-Residential Property, which will be assigned tax exempt status only after all other eligible property types have been classified as Exempt Property.

If the use of an Assessor's Parcel of Exempt Property changes so that such Assessor's Parcel is no longer classified as one of the uses set forth in the first paragraph of Section 8 above that would make such Assessor's Parcel eligible to be classified as Exempt Property, such Assessor's Parcel shall cease to be classified as Exempt Property and shall be deemed to be Taxable Property.

9. APPEALS

Any landowner who pays the Special Taxes and claims the amount of the Special Taxes levied on his or her Assessor's Parcel is in error shall first consult with the CFD Administrator regarding such error not later than thirty-six (36) months after first having paid the first installment of the Special Tax that is disputed. If following such consultation, the CFD Administrator determines that an error has occurred, then the CFD Administrator shall take any of the following actions, in order of priority, in order to correct the error:

- (i) Amend the Special Tax levy on the landowner's Assessor's Parcel(s) for the current Fiscal Year prior to the payment date,
- (ii) Require the CFD to reimburse the landowner for the amount of the overpayment to the extent of available CFD funds, or
