Special Eye Glasses Collection

According to the World Health Organization, 153 million people have uncorrected refractive errors (near-sightedness, far-sightedness or astigmatism). Most of these vision impairments are quickly diagnosed and are easy to treat with corrective lenses.

Still, millions of people around the world are pushed deeper into poverty simply because they don't have glasses. They can't learn because reading is difficult. They can't work to the best of their ability because they can't see clearly.

It costs Lions less than \$0.08 to provide a pair of recycled eyeglasses and change someone's life.

For children, clear vision means a better education, healthier development and a better quality of life. For adults, it means greater employment opportunity and economic strength. For seniors, it means less dependence on others.

Lions Clubs collect millions of eyeglasses each year to address the need for glasses, making eyeglasses recycling one of the most popular activities.

By donating glasses, you too can change someone's life. Drop off your usable eyewear and give the gift clearer vision. City staff will be on hand to accept your donations on the next Community Clean-up Day.

January 25, 2020

8 a.m. – 2 p.m.

Rialto City Hall

150 S. Palm Ave.

For more information on this collection,
call the Rialto Waste Management Office at
909-421-7221.
