22 ballots, and said modifications or amendments so reflected by the minutes of this meeting
23 shall by reference be incorporated into the approved Engineer's Report.

24 **Section 3:** The Engineer's Report and Assessment Diagram connected therewith as

26 confirm and establish the method of apportionment and the maximum assessment rate
27 including the assessment range formula as presented to the property owners of record in
28 the ballot proceeding. Said assessments as described in the Engineer's Report as

1 submitted or amended, including the assessment range formula described therein, are
2 hereby confirmed and adopted by the City Council.

3 **Section 4:** Based upon its review (and amendments, as applicable) of the

7 benefit from the operation, maintenance and servicing of landscaping and lighting
8 improvements and all appurtenant facilities related thereto, to be provided by the District
9 as described in the approved Engineer's Report.

10 4b) The Annexation Territory as defined by the Assessment Diagrams in the
11 approved Engineer's Report includes all of the lands receiving such special benefit.

12 4c) The net amount to be assessed upon the lands within the Annexation
13 Territory as approved has been apportioned by a formula and method which fairly
14 distributes the net amount among all eligible parcels in proportion to the special benefit to
15 be received by each parcel from the improvements and services to be provided
16 commencing with Fiscal Year 2020/2021.

17 **Section 5:** The City Council hereby orders the proposed improvements as
18 described within the approved Engineer's Report to be made. The improvements so

20 servicing of the local landscaping and lighting improvements established or installed in
21 connection with the development of properties within the approved Annexation Territory
22 or directly associated with the properties within those Annexation Territories and shall be
23 maintained by the City for the special benefit of the properties therein pursuant to the Act.

24 **Section 6:** The adoption of this Resolution constitutes the annexation of the
25 approved Annexation Territory to the District, the boundaries of which are contained in
26 the Assessment Diagrams; the establishment of the maximum assessment rate and
27 assessment range formula connected therewith; and the assessments for the fiscal year
28 commencing July 1, 2020 and ending June 30, 2021, as described in the approved

1 Engineer's Report and adopted by the City Council, and the County Auditor of San
2 Bernardino shall enter on the County Assessment Roll opposite each parcel of land the
3 amount of levy so described in the approved Engineer's Report, and such levies shall be
4 collected at the same time and in the same manner as the County taxes are collected.
5 After collection by the County, the net amount of the levy shall be paid to the City
6 Treasurer.

7 **Section 7:** The City Clerk shall certify to the passage and adoption of this
8 Resolution, and the minutes of this meeting shall so reflect the City Council's approval of
9 the annexation of the Annexation Territory to the District; the adoption and confirmation of
10 the Assessment Diagram; and the establishment of the maximum assessment rate(s),
11 assessment range formula and the assessments for Fiscal Year 2020/2021 as described
