TREASURER'S REPORT - GLOSSARY OF TERMS

- ❖ **Accrued Interest** - The interest that has accumulated on a bond since the last interest payment up to, but not including, the settlement date. Accrued interest occurs as a result of the difference in timing of cash flows and the measurement of these cash flows.
- ❖ **Call Date** - The call date is the date on which a bond can be redeemed before maturity. If the issuer feels there is a benefit to refinancing the issue, the bond may be redeemed on the call date at par or at a small premium to par.
- ❖ **Coupon Rate** - A coupon rate is the yield paid by a fixed-income security; a fixed-income security's coupon rate is simply just the annual coupon payments paid by the issuer relative to the bond's face or par value.
- ❖ **Credit Rating** - The credit rating is a financial indicator to potential investors of debt securities such as bonds. These are assigned by credit rating agencies such as Moody's, Standard & Poor's, and Fitch, which publish code designations (such as AAA, B, CC) to express their assessment of the risk quality of a bond.
- ❖ **Original Cost/Amount Invested** - The original cost of an asset takes into consideration all of the costs that can be attributed to its purchase and to putting the asset to use.
- ❖ **Market Value** - is the price an asset would fetch in the marketplace, or the value that the investment community gives to a particular equity or business.
- ❖ **Par Value** - The face value of a bond. Par value is important for a bond or fixed-income instrument because it determines its maturity value as well as the dollar value of coupon payments.
- ❖ **Realized Gain/(Loss)** - Realized gain/loss is the cumulative amount of realized gains and losses resulting from the sale of securities. A realized loss is the monetary value of a loss that results from a trade
- ❖ **StageCoach Sweep Account** – A sweep account automatically transfers cash funds into a safe but higher interest-earning investment option at the close of each business day, e.g. into a money market fund. Sweep accounts try to minimize idle cash drag by capitalizing on the immediate availability of higher-interest accounts.

TREASURER'S REPORT - GLOSSARY OF TERMS

- ❖ **Unrealized Gains/(Loss)** - a profitable/(losing) position that has yet to be cashed in. The actual gain/(loss) is not realized until the position is closed. A position with an unrealized gain may eventually turn into a position with an unrealized loss, as the market fluctuates and vice versa.
- ❖ **Yield** - The income return on an investment. This refers to the interest or dividends received from a security and is expressed as a percentage based on the investment's cost and its current market value.
