Climate Adaptation Plan Timeline

[illegible]

2

Public Engagement

The background of the slide is a dark, atmospheric photograph of a mountain range. In the foreground, a line of evergreen trees is visible against a misty or cloudy base. The mountains in the background are rugged and partially covered in snow or light-colored rock, with more clouds or mist rising from the valleys. The overall color palette is muted, consisting of various shades of blue, grey, and white, creating a somber and serious mood.

Climate Risks

4

Capability Assessment

Ranking Risk and Assessment

5

Policy Recommendations

Four Phases of Hazard Planning

Mitigation

Actions **before** a disaster to **minimize** the impact

Preparedness

Actions **before** a disaster to increase a community's **capacity** to respond to a hazard

Response

Actions **during** and immediately after a hazard event to **respond** to a hazard

Recovery

Actions **after** a hazard to **restore** community function and build back stronger

Goal 1- Streets that are safe and comfortable to walk and bike through

- Safe Routes to School

- Cool Corridors

MITIGATION

Goal 2- A community with clean air

- Low-Emission Public Vehicles

- Truck Routes

- Diverse Urban Forest

MITIGATION

Goal 3- A built environment resistant to extreme heat

- Hydration Stations

- Cool Buildings

MITIGATION

Goal 4- Public infrastructure resistant to climate hazards

- Flood Proofed Infrastructure

- Fire Proofed Infrastructure

MITIGATION

Goal 5- A community prepared for disasters

- Inform and Assist At-Risk Community Members

- Retrofit Community Centers to Increase Resilience During a Hazard Event

PREPAREDNESS

Goal 6 - Emergency response designed to serve a range of community needs

- Emergency Operations Center

- Special Needs Populations

RESPONSE

Goal 7 - A community that builds back stronger

- Fire Resistant Code

- Landscape Standards in the Wildfire Hazard Severity Zones

- Flood Plain Standards

RECOVERY

The logo for DUDEK, featuring the word "DUDEK" in white, bold, sans-serif capital letters. It is positioned within a dark blue curved banner that has a green-to-blue gradient on its right side. The background of the entire slide is a dark blue overlay on a photograph of a desert landscape with mountains and a winding road.
