1.3 Conditions. Lessee’s rights under this Lease and its use and access to the Leased Premises, shall be conditioned upon and subject to Lessee’s (i) acquisition of any and all required

8.1 Prohibition Against Assignment/Transfer. Lessee understands and acknowledges that Lessor has entered into this Lease based upon Lessee's experience, knowledge, capability and reputation. For this reason, Lessee shall not assign, transfer, sublet, or attempt to assign this Lease or any of its rights herein, nor make any total or partial sale, transfer, conveyance or assignment of the whole or any part of the Leased Premises, or the Improvements, without prior written approval of Lessor, in its sole discretion. This restriction, however, shall not serve to bar the transfer of Lessee's rights and interests hereunder to (i) an affiliate (defined as a corporation, limited liability company or other entity that owns or controls (directly or indirectly) over fifty percent (50%) by the same entity (or entities) as Lessee), or (ii) a lawful successor in interest to 100% of Lessee, including one created by merger, restructuring, entity or asset purchase or other lawful business reorganization, provided that each such transfer referenced in clauses (i) and (ii) above shall be subject to the reasonable approval of documentation by Lessor or its designee for conformance with this Lease, including (if applicable) a written assignment and assumption agreement in a form approved by Lessor in its reasonable discretion, executed by Lessee's assignee and Lessee ("Permitted Transfer"). The term "controls" as used in clause (i) above in the immediately preceding sentence shall mean an entity possessing more than 50% of the voting rights in both Lessee and the purported affiliate.

8.2 Lessee's Continued Obligations. In the absence of a specific written agreement by Lessor, and except as otherwise provided in this Lease, no such sale, transfer, conveyance or assignment of this Lease, Leased Premises or the Improvements (or any portion thereof), or approval by Lessor of any such sale, transfer, conveyance or assignment, shall be deemed to relieve Lessee or any other party from any obligations under this Lease.

ARTICLE 9 REPRESENTATIONS AND WARRANTIES

9.1 Lessor's Representations and Warranties. Lessor represents and warrants to Lessee that: (i) Lessor has full right and authority to grant the estate and the other rights demised herein and to execute and perform all of the terms and conditions of this Lease binding on Less; (ii) Lessee, upon performing and complying with all covenants, agreements, terms and conditions of this Lease to be performed or complied with by it, shall peaceably and quietly have, hold and enjoy the full possession and use of the Leased Premises and the easements, rights-of-way, rights, privileges, benefits and appurtenances belonging thereto throughout the Term, subject to all terms and conditions of this Lease; and (iii) Lessor has the power and authority to enter into this Lease and perform all the obligations of Lessor hereunder.

9.2 Lessee's Representations and Warranties. Lessee represents and warrants to Lessor that: (i) Lessee has examined the Leased Premises and finds that it is fit for use as outdoor advertising in accordance with this Lease; (ii) Lessee acknowledges that Lessor has not made any representations or warranties regarding the condition of the Leased Premises, or its suitability for the operation of outdoor advertising contemplated by this Lease; (iii) Lessee is solely responsible for the construction and maintenance of the Sign and all necessary devices or structures, and all associated costs for said construction and maintenance; and (iv) Lessee has the right, power and authority to enter into this Lease and to perform all the obligations of Lessee hereunder.

ARTICLE 10 DEFAULT & REMEDIES.

10.1 Defaults – General.

a. Failure or delay by either party to perform any term or provision of this Lease shall constitute a default under this Lease. The party who fails or delays must commence to cure, correct or remedy such failure or delay and shall complete such cure, correction or remedy with reasonable diligence.

b. The injured party shall give written notice of default to the party in default, specifying the default complained of by the injured party. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the time of default. Except as otherwise expressly provided in this Lease, any failures or delays by either party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by either party in asserting any of its rights and remedies shall not deprive either party of its right to institute and maintain any actions or proceedings that it may deem necessary to protect, assert, or enforce any such rights or remedies.

c. If a monetary event of default occurs, prior to exercising any remedies hereunder, the injured party shall give the party in default written notice of such default. The party in default shall have a period of ten (10) calendar days after such notice is received or deemed received within which to cure the default prior to exercise of remedies by the injured party.

d. If a non-monetary event of default occurs, prior to exercising any remedies hereunder, the injured party shall give the party in default notice of such default. If the default is reasonably capable of being cured within thirty (30) calendar days after such notice is received or deemed received, the party in default shall have such period to effect a cure prior to exercise of remedies by the injured party. If the default is such that it is not reasonably capable of being cured within thirty (30) days after such notice is received, and the party in default (1) initiates corrective action within said period, and (2) diligently, continually, and in good faith works to effect a cure as soon as possible, then the party in default shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by the injured party, but in any event no more than ninety (90) days of receipt of such notice of default from the injured party.

10.2 Events of Default. Subject to the notice and cure provisions of Section 10.1 above, in addition to other rights and remedies at law and equity, Lessor or Lessee, as the situation so dictates, shall have the right to terminate this Lease in the event of a default by the other party, including but not limited to the following (collectively referred to herein as an “Event of Default”):

10.2.1 If Lessee fails to make a payment of any Monthly Rent or Additional Rent or other fees, payments, or charges when due and payable to Lessor and such default shall continue for more than ten (10) days after Lessor shall have given written notice thereof to Lessee; or

10.2.2 Lessee assigns or attempts to assign this Lease, or any rights herein, or transfer, except in the event of a Permitted Transfer described in Section 8.1 above, or suffer any involuntary transfer of the Leased Premises or any respective parts thereof, in violation of this Lease, and such breach is not cured within the time provided herein; or

10.2.3 If Lessee shall default in the performance of or compliance with any other term, covenant or condition of this Lease; or

10.2.4 Upon any bankruptcy, dissolution, or insolvency of Lessee, any transfer by Lessee to defraud creditors, any assignment by Lessee for the benefit of creditors, or the commencement of any proceedings of any kind by or against Lessee under any provision of the Federal Bankruptcy Act or under any other insolvency, dissolution, bankruptcy or reorganization act unless, in the event any such proceedings are involuntary, Lessee is discharged from the same within sixty (60) days thereafter; the appointment of a receiver for a substantial part of the assets of Lessee; or the levy upon this Lease or any estate of Lessee hereunder by any attachment or execution; or

10.2.5 If Lessor shall default in the performance of or compliance with any term, covenant or condition of this Lease applicable to Lessor; or

10.2.6 If the Digital Display becomes entirely or partially obscured or obstructed due to an act of Lessor.

10.3 Remedies.

10.3.1 Lessee Remedies: If an Event of Default shall occur by Lessor, then, in addition to any other remedies available to Lessee at law or in equity, Lessee shall have the right to terminate this Lease.

10.3.2 Lessor Remedies: If an Event of Default shall occur by Lessee, then, in addition to any other remedies available to Lessor at law or in equity, Lessor shall have the right to:

(a) terminate this Lease in which case this Lease shall terminate and Lessee shall immediately surrender possession of the Leased Premises to Lessor. In such event City shall be entitled to recover from Lessee all damages incurred by Lessor by reason of Lessee's default, including, without limitation, the following: (i) any unpaid Rent which had been earned at the time of such termination; plus (ii) any other amount necessary to compensate Lessor for all the detriment proximately caused by Lessee's failure to perform its obligations under this Lease..

(b) without further notice or demand, rectify or cure such default, and any sums expended by Lessor for such purposes shall be paid by Lessee to Lessor upon demand and as additional compensation hereunder.

(c) continue this Lease in full force and effect after such default and recover the Rent and any other monetary charges as they become due. During the period Lessee is in default, Lessor shall have the right to do all acts necessary to preserve and maintain the Leased Premises as Lessor deems reasonable and necessary, including removal of all persons and property from the Leased Premises, and Lessor may enter the Leased Premises and relet them, or any part of them, to third parties for Lessee's account. Lessee shall be liable immediately to City for all costs City incurs in reletting the Leased Premises, including, without limitation, brokers' commissions, expenses of remodeling the Leased Premises required by the reletting, and like costs. Reletting can be for a period shorter or longer than the remaining Term.

(d) pursue any other legal or equitable remedy available to Lessor. Unpaid installments of Rent and other unpaid monetary obligations of Lessee under the terms of this Lease shall bear interest from the date due at the rate of ten percent (10%) per annum.

10.4 Effect on Indemnification. Notwithstanding the foregoing, nothing contained in this Article 10 shall be construed to limit Lessor's right to indemnification as otherwise provided in this Lease.

ARTICLE 11 REPAIRS AND MAINTENANCE

11.1 Lessor's Non-Responsibility. During the Term of this Lease, Lessor shall not be required to maintain or make any repairs or replacements of any nature or description whatsoever

to the Leased Premises or the Improvements thereon, including, but not limited to the Sign, except as expressly provided elsewhere herein.

11.2 Lessee's Duty to Maintain Leased Premises. Except as expressly otherwise provided for herein, throughout the Term of this Lease, Lessee shall, at Lessee's sole cost and expense, maintain or cause to be maintained the Leased Premises and the Improvements located on the Leased Premises in a first class condition and repair, free of debris, and in compliance with (i) all applicable local, state and federal rules, orders and regulations, and (ii) all applicable rules, orders, and regulations of any insurance company insuring all or any part of the Leased Premises or the Improvements thereon or both, and Lessee shall make or cause to be made whatever repairs and replacements are required by such enactments or provisions or future enactments or provisions. In addition, Lessee shall keep the Sign free from all graffiti and the Leased Premises free from trash and debris.

ARTICLE 12 DEFINITIONS

12.1 "Improvements" shall mean and include all appurtenances, equipment structures, fixtures and all other improvements of whatsoever character constructed on, around, under or over the Leased Premises, including, but not limited to the Sign.

12.2 "Commencement Date" shall mean the first day of the calendar month following the completion of construction of the Sign. The completion of the construction of the Sign shall be deemed to have occurred when City's inspector initials the building permit job card for the Sign.
