## **ATTACHMENT 5- Application for Modification**

I \_\_\_\_\_ hereby warrant and represent that I am the Owner/Authorized Agent for the Property/Project described above, and I am formally requesting a modification under California Building Code Section 104.10 (CRC Section R104.10). I understand that the Building Official (or his representatives) may grant such modification where certain aspects of construction do not meet the exact code requirements, but there exists a practical difficulty in meeting the code, and that the discrepancy does not lessen the health, accessibility, life and fire safety, or structural requirements of the code. I further acknowledge that if granted, as a condition of approval the Building Official requires this modification to be recorded on the property title in order to serve as a constructive Notice to any interested parties (or future interested parties).

Description of construction portion not meeting the letter of the code (example- parts of construction not fully inspected); \_\_\_\_\_
