Holiday LED Light Exchange and Complimentary Energy Efficiency Starter Kits

Join the San Bernardino Regional Energy Partnership (SBREP) at a local community event to exchange your old incandescent holiday lights for energy efficient LED holiday lights and receive a COMPLIMENTARY energy efficiency starter kit.

This opportunity is available at NO COST to all Southern California Edison (SCE) and Southern California Gas Company (SoCalGas) residential customers in San Bernardino County.

Limited supplies will be available at each event, first come, first served!

Participating is easy, BRING:

- 1** Up to TWO inefficient, incandescent holiday light strands, in exchange for up to TWO LED holiday light strands.
**Old, inefficient, incandescent holiday light strands must be 50-count or higher, still work, and contain all bulb parts.*
- 2** A copy of your monthly SCE bill for the holiday light exchange and SoCalGas bill for the complimentary energy efficient starter kit (electronic bills will be accepted).
- 3** A license or photo identification matching customer name and address on the utility bills.

**To participate in the exchange, all three requirements must be met.*
