For City Council Meeting [September 28, 2021]

TO: Honorable Mayor and City Council

APPROVAL: Marcus Fuller, City Manager

FROM: Mark P. Kling, Chief of Police

Request City Council to Approve a Memorandum of Understanding Between the Rialto Unified School District and the City of Rialto to Provide Uniformed Presence at Eisenhower High School and Carter High School Football Games During the Month of October 2021.

BACKGROUND

The Rialto Police Department over the last several years provided School Resource Officer (SRO) to the Rialto Unified School District (RUSD). This agreement was suspended on August 1, 2020 by RUSD during the COVID-19 pandemic. RUSD has not reinstated the SRO position.

RUSD returned to in person learning for the 2021 school year. RUSD has had several incidents during school sanctioned events which required police department personnel to respond. Based on this need, RUSD has requested that the City furnish five (5) officers or corporals for uniformed presence at RUSD sanctioned High School football games, which will be funded through a Memorandum of Understanding (MOU) with RUSD.

ANALYSIS/DISCUSSION

The calls for services to the police department from school related incidents, civil and criminal, at RUSD school events necessitates the need for uniformed presence at these sanctioned events. In the past the Police Department would have used the School Resource Officer (SRO) to serve as a liaison between the school district and the police department who would handle all calls related to these sanctioned events. This presence of the SRO was to alleviate the burden on daily patrol staff

to respond to every incident occurring on school grounds. The agreement between the police department and RUSD recently ended and there is no longer a SRO assigned to RUSD who can respond and handle these incidents at RUSD sanctioned events.

Due to the increase in incidents, specifically the high school football games, RUSD has requested the Rialto Police Department to provide uniformed presence at all remaining football games.

The term of the MOU shall be from October 01, 2021 through October 29, 2021. Based on this agreement, the City will provide the following:

- Five (5) sworn peace officers or corporals to be present during the home football games on the dates identified herein.
- The officers or corporals will be in place for the duration of the shift from 6:00 PM to 10:30 PM.
- The officers or corporals shall provide a uniformed presence at Eisenhower High School located at 1321 N Lilac Ave. on the following dates:
 - Friday, October 1, 2021
 - Thursday, October 21, 2021
 - Friday, October 29, 2021
- The officers or corporals shall provide a uniformed presence at Carter High School located at 2630 N Linden Ave. in the City of Rialto, on the following dates:
 - Friday, October 1, 2021
 - Friday, October 8, 2021
 - Thursday, October 21, 2021
 - Friday, October 29, 2021

RUSD will agree to pay for each of the five (5) sworn peace officers or corporals at their fully burdened rate of \$289.88 per hour. This will result in a total cost of \$45,656.10 over the term of the MOU. The total amount charged by the City during the Term of this Agreement shall not exceed \$45,656.10.

ENVIRONMENTAL IMPACT

The request is not a "Project" as defined by the California Environmental Quality Act (CEQA). Pursuant to Section 15378(a), a "Project" means the whole of an action, which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment. According to Section 15378(b), a Project does not include: (5) Organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment.
