For City Council Meeting [November 14, 2017]

TO: Honorable Mayor and City Council

APPROVAL: Michael Story, City Administrator

FROM: Robb R. Steel, Assistant CA/Development Services Director

Request City Council to Receive and File the Statement of Income and Expenses related to Airport Escrow Account for September 2017.

BACKGROUND:

On September 25, 2012, the City Council approved the Second Amended and Restated Contract of Sale for Areas B, C and D (the "Airport Contract") with Lewis-Hillwood Rialto LLC (LHR). A key provision of the Airport Contract required the City to deposit \$30 million into escrow to fund pre-development obligations, including tenant relocation, demolition, remediation and infrastructure (the "Article VI Work" as defined in the Airport Contract).

Relocation	300-500-4267-2011-130704	12,000,000.00
Demolition	300-500-4267-3001-130704-45	5,100,00.00
Remediation	300-500-4267-3001-130704-55	3,900,00.00
Infrastructure	300-500-4267-3001-130703-05	9,000,000.00
Total Expenditure		30,000,000.00

On January 22, 2013, the City Council approved Joint Escrow Instructions by and among the City of

Rialto, LHR, and First American Trust FSB for work related to redevelopment of the Rialto Municipal Airport. On March 14, 2013, the City wired the funds to First American Trust FSB. On April 9, 2013, the City Council adopted Resolution No. 6249 appropriating budget as follows:

On October 13, 2015, the City Council reallocated \$3,000,000 from the Demolition budget to the Infrastructure Budget and \$1,000,000 from the Remediation budget to the Infrastructure Budget. On February 23, 2016, the City Council reallocated \$1,278,168 from the Remediation Budget to the Infrastructure Budget and \$30,000 from the Relocation Budget to the new Miscellaneous Expense Budget. The Budget Reports below reflect the adjusted budget.

Since a third party trustee disburses these funds, the financial activities avoid the City's normal financial reporting systems. Because of the substantial size of the expenditures, staff indicated that it would provide a monthly report to the City Council summarizing the income and expenditures related to the Airport Escrow Account.

ANALYSIS/DISCUSSION:

Expenditures from Airport Escrow Account

During September 2017, the City expended \$16,351.47 from the Airport Escrow Account to make the payments summarized in the table below. The primary expenses related to the relocation of contaminated soil from the stockpile for use as roadway base in Linden Avenue and Renaissance Parkway.

Return on Investment

Through September 30, 2017, the City realized \$54,865,628 in gross land sales proceeds and contingent purchase price allocations, while expending/obligating \$45,887,387, producing a net positive return to the City General Fund of \$8,978,241. At project completion, the City forecasts that it will net approximately \$17,700,000 to the City General Fund (recovery of initial \$30,000,000 investment plus an additional \$17,700,000 for total return of/on investment of \$47,700,000). Staff will adjust this forecast periodically as the project proceeds.

The former Redevelopment Agency invested \$8.4 million for relocation expenses. The table above does not acknowledge these expenses, but they should be considered part of the total cost of relocation for the Airport Redevelopment Project.
