For City Council Meeting [April 10, 2018]

TO: Honorable Mayor and City Council

FROM: Robb R. Steel, Interim CA/Development Services Director

Request City Council to Receive and File the Statement of Income and Expense for February 2018 related to the Construction Reimbursement Agreement and Amendment #1 with Ayala@210LLC for Off-site Improvements on Renaissance Parkway.

#### BACKGROUND:

On March 14, 2017, the City Council approved an Option to Purchase and Develop Site Agreement by and between the City of Rialto and Ayala@210LLC ("Developer") for a commercial development on an 8-acre site situated east of Ayala Avenue and north of Renaissance Parkway/Easton Avenue for the proposed Cracker Barrel, Sonic, and hotel ("Project").

On March 28, 2017, the City Council approved a Construction Reimbursement Agreement (CRA) by and between the City of Rialto and Developer for a maximum cost of \$1,321,491 ("Approved Budget"). The CRA funds the improvements on Renaissance Parkway adjacent to the Site using development impact fees and other funds ("Off-Site Improvements"). The City established the initial CRA budget before receipt of land use entitlements and preparation of construction drawings.

On January 23, 2018, the City Council approved Amendment #1 to the CRA and adopted Resolution No. 7279 increasing the Approved Budget to \$4,080,227 for the Off-Site Improvements. Additional improvement scope and actual construction costs based upon competitive bidding increased the Approved Budget.

On January 24, 2018, the City, Developer, and First American Trust FSB (FSB) entered into separate Joint Escrow Instructions for the administration of funds related to the Off-Site Improvements. FSB

will hold the funding for the project, subject to periodic releases by the City to pay for authorized project related expenses.

#### ANALYSIS/DISCUSSION:

On February 9, 2018, the City deposited the amount of \$3,806,718.00 in the FSB Escrow Account ("Fund"). The deposit represented contributions from the Drainage Development Impact Fee (\$200,915), Regional Traffic Development Impact Fee (\$1,958,795), Sewer Fund (\$202,625), Water Fund (\$210,101), and Redevelopment Agency Bond (\$1,234,282).

The City did not have any expenditures from this account during February 2018. A detailed income and expense report showing all activity through the month ending February 28, 2018, is included as **Exhibit A.** The table below summarizes the FSB Escrow Account activity from inception through February 28, 2018:
