FROM: Robb R. Steel, Assistant CA/Development Services Director

Request City Council to Receive and File the Statement of Income and Expenses related to the Miro Way, Alder Avenue, and Locust/Laurel/Walnut Escrow Accounts for October/November 2018.

### **BACKGROUND:**

On September 25, 2012, the City Council approved the Second Amended and Restated Contract of Sale for Areas B, C, and D (the "Airport Contract") with Lewis-Hillwood Rialto LLC (LHR). A key provision of the Airport Contract required the City to deposit \$30 million into escrow to fund pre-development obligations, including tenant relocation, demolition, remediation, and infrastructure (the "Article VI Work" as defined in the Airport Contract). The City initially allocated approximately \$9 million of the \$30 million for public infrastructure related to the Project.

On March 24, 2015, the City adopted Resolution No. 6694 approving a Construction Reimbursement Agreement with Lewis-Hillwood Rialto Company, LLC for construction of the Miro Way Improvement Project (MWI Project). On September 8, 2015, the City Council adopted Resolution No. 6822 approving the Amended and Restated Construction Administration Agreement for Miro Way. The total budget for the amended construction Project is \$13,755,053 funded from various sources, including development impact fees and Airport Escrow Account funds. The City paid a portion of the costs outside of escrow (\$83,273) for right-of-way acquisition, with the balance of funding

(\$13,671,780) deposited into escrow.

On May 12, 2015, the City adopted Resolution No. 6732 approving a Construction Reimbursement Agreement with Lewis-Hillwood Rialto Company, LLC for construction of the Alder Avenue Improvement Project (AAI Project). The total budget for the Phase I Project was \$5,414,108. The City's contribution derives from various sources, including development impact fees and Airport Escrow Account funds.

On May 22, 2015, the City, LHR, and First Savings Bank (FSB) entered into separate Joint Escrow Instructions for the administration of funds related to the MWI Project and the AAI Project. FSB will hold the funding for both projects, subject to periodic releases by the City to pay for authorized project related expenses.

On October 13, 2015, the City Council approved a Construction Reimbursement Agreement for Laurel/Walnut/Locust Improvements by and between the City of Rialto and Lewis Hillwood Rialto LLC and reallocated funding within the Airport Escrow budget. On December 1, 2015, the City and LHR entered into Joint Escrow Instructions for the Laurel, Walnut, and Locust Improvements (the "PI Escrow Account").

Since a third party trustee disburses these funds, expenditures do not enter the City's normal financial reporting systems. Because of the substantial size of the expenditures, staff indicated that it would provide a monthly report to the City Council summarizing the income and expenditures related to the Airport Escrow Account.

#### **ANALYSIS/DISCUSSION:**

##### **Expenditures from Miro Way Escrow Account (MWI Escrow Account)**

On June 26, 2015, the City deposited the amount of \$8,120,000 in the MWI Escrow Account. On October 28, 2015, the City deposited the balance of funding from the Airport Escrow Account (\$5,551,780). The total deposited funds equal \$13,671,780. Upon project completion, Panattoni will reimburse the Airport Escrow Account the sums of \$267,606 (for 210 Logistics Center), \$538,174 (for I-210 Logistics Center II), and \$415,408.22 for I-210 Logistics Center III. On March 13, 2017, Panattoni paid the City \$538,174.08 for I-210 II; on September 7, 2017, the City deposited \$415,408.22 for I-210 II; and on May 2, 2018, the City deposited \$267,606.00 from the I-210 project.
