FROM: Jessica Brown, Finance Director

Request City Council to Authorize a Purchase Order Change Notice (2019-1059) with Robert Half International, Office Team in the amount of \$98,000 to Provide Audit Accounting Services in the Finance Department for Fiscal Year 2018-19, increasing the Purchase Order to a total of \$130,000, for a total aggregate amount of \$193,412 and Approve Budget **Resolution No. 7469**. (ACTION)

BACKGROUND:

Beginning in fiscal year 2017-18 and into 2018-19, the Finance Department (Department) has experienced significant staff turnover. This combined with a decrease of four positions over the last five years has resulted in key financial tasks not being completed thus impacting the 2017-18 yearend close and financial audit.

As a result, in July 2018, the Department procured temporary staff support services for the Payroll Division from Robert Half International, Accountemps, in the amount of \$14,412.02 (Purchase Order 2019-0649) to assist with payroll processes due to a vacant Payroll Analyst position. In October 2018, the Department procured temporary audit accounting services from Robert Half International, Office Team in the amount of \$15,000 (Purchase Order 2019-1059) to assist with the completion of financial tasks in support of the 2017-18 year end close and financial audit. On January 8, 2019, the Council approved a \$17,000 purchase order change notice increasing Purchase Order 2019-1059 to a total of \$32,000 to continue temporary audit accounting services through February 2019 -- the

estimated completion of the audit. On January 22, 2019, the Council approved a second purchase order change notice in the amount of \$49,000 increasing Purchase Order 2019-1059 to a total of \$81,000 for accounting services due to the vacancy of the Department's only Accountant position. The aggregate total for both purchase orders is \$95,412.

All approved purchase orders currently executed with Robert Half International are listed below:

Purchase Order Number	Issue Date	Services	Amount	PO Total
2019-0649	July 2018	Pavroll Temp Staff Support	14,412	14,412

ANALYSIS/DISCUSSION:

Due to unforeseen circumstances regarding the timely completion of the 2017-18 audit requiring additional staff resources, the Department requests a third purchase order change notice with Robert Half International, Office Team in the amount of \$98,000. The change notice is requested to continue temporary audit accounting services and accounting staff support through June 2019 to complete the 2017-18 yearend close and financial audit as well as fiscal year 2018-19 routine financial tasks to ensure the City's financial records are up-to-date and accurate. The City will terminate these services at 2018-19 fiscal yearend.

In addition to these services, the Department requests temporary budget analyst services from Robert Half International, Office Team. The Department will be engaging in the 2019-20 budget cycle and due to dedication of staff resources to the 2017-18 yearend close and financial audit as well as fiscal year 2018-19 routine financial tasks, the Department will require temporary budget analyst services to provide needed Department budget analysis support.

The requested Purchase Order Change Notice of \$98,000 includes \$35,000 to extend the temporary audit accounting services and accounting staff support through fiscal year 2018-19, and \$63,000 to acquire temporary budget analyst services through the budget process. After the change notice is processed, the total for Purchase Order 2019-0159 will be \$130,000.
