TO: Honorable Mayor and City Council

APPROVAL: Sean Grayson, Interim City Administrator

FROM: Jessica Brown, Finance Director

Request City Council to Set a Public Hearing for **June 25, 2019**, to Approve and Adopt the Budget Plan for Fiscal Year 2019-20.

BACKGROUND:

In accordance with Section 2.04.140 of the Rialto Municipal Code, the City Administrator must present the fiscal budget to the City Council for approval annually. Under the direction of the Finance Director, the Finance Division conducts the analysis and makes the projections required to complete the budget document after receiving input from all of the City departments. The process begins in March and requires the cooperation of staff organization-wide.

The Finance Director and Interim City Administrator have met with the Budget Committee and presented draft budget projections.

ANALYSIS/DISCUSSION:

In accordance with Section 2.04.140 of the Rialto Municipal Code, staff hereby submits the budget plan for fiscal year 2019-20 for City Council consideration. The budget submitted is a one-year financial plan, for which an appropriation is submitted concurrently with the budget document. The budget presentation consists of eight categories of funds as follows:

- General Fund
- Special Revenue Funds
- Enterprise Funds
- Internal Service Funds

- Rialto Utility Authority
- Rialto Housing Authority
- Capital Projects Funds
- Debt Service Funds

General Fund

This is the general operating fund of the City. General Fund expenditures include operations traditionally associated with activities that are not required to be accounted for or paid by another fund.

Special Revenue Funds

The City's various special revenue funds include grant program funds and other funds that by law are required to be segregated.

Enterprise Funds

The City has three Enterprise funds: Cemetery, Community Services, and Utility Services.

Internal Service Funds

The City has six internal service funds. The purpose of internal service funds is to centralize certain services that benefit all functions of the City. The expenditures of the internal service funds are allocated to all of the City's departments commensurate to the services provided. The five internal service funds are:

- Fleet Maintenance
- Workers' Compensation
- General Liability
- Information Technology
- Building Maintenance

Rialto Utility Authority

The Rialto Utility Authority (RUA) accounts for Water and Waste Water Services provided by Rialto Water Services.

The Rialto Housing Authority

The Rialto Housing Authority (RHA) assumed the housing functions of the former Redevelopment Agency.

Capital Projects Funds

The Capital Projects Funds exist to enhance transparency by reporting one-time capital expenditures in a separate fund.

Debt Service Funds

The Debt Service Funds account for the accumulation of funds for the payment of principal and interest on financing instruments.

ENVIRONMENTAL IMPACT:

The action is exempt from California Environmental Quality Act (CEQA) pursuant to Section 15378(b) (5) of the CEQA Guidelines because the preparation of a budget plan is a governmental
