Request City Council to Adopt **Resolution No. 7592** Approving Parcel Map 19942, a Request to Consolidate Three (3) Parcels of Land into One (1) Parcel of Land to Facilitate the Development of a 188,712 square foot Industrial Warehouse Distribution Facility Located at the Southwest Corner of Alder Avenue and Walnut Avenue.

BACKGROUND

On November 28, 2018, the City Planning Commission approved Resolution No. 18-65 approving Tentative Parcel Map No. 2018-0002 (TPM 19942) to allow the consolidation of three (3) parcels of land into one (1) parcel of land to facilitate the development of a 188,712 square foot industrial warehouse distribution facility located at the southwest corner of Alder Avenue and Walnut Avenue (APNs: 0240-201-31, -60, and -02) within the Employment (EMP) zone of the Renaissance Specific Plan. A copy of Resolution No. 18-65 is included as **Attachment 1**.

ANALYSIS/DISCUSSION

Pacific Industrial, LLC (the "Subdivider") requests that the City Council approve Parcel Map 19942 to consolidate three (3) parcels of land (APNs: 0240-201-31, -60, and -02) into one (1) parcel of land within the Employment (EMP) zone of the Renaissance Specific Plan (collectively "Site") to facilitate the development of a 188,712 square foot industrial warehouse distribution facility ("Project"). A copy of Parcel Map 19942 is included as **Attachment 2**.

The Subdivider has not constructed the required public improvements associated with Parcel Map 19942 and as such, an executed Subdivision Improvement Agreement to guarantee completion of public improvements has been submitted. The Subdivision Improvement Agreement is included as **Attachment 3**.

The City Engineer determined that the conditions of approval associated with Tentative Parcel Map 19942 have been satisfied, that Parcel Map 19942 is in substantial conformance with Tentative Parcel Map 19942, and that Parcel Map 19942 is ready for City Council approval.

ENVIRONMENTAL IMPACT

A Mitigated Negative Declaration (Environmental Assessment Review No. 2018-0002) was prepared for consideration in conjunction with the project in accordance with the requirements of the California Environmental Quality Act (CEQA). Based on the findings and recommended mitigation measures within the prepared Initial Study, staff determined that the project would not have adverse impact on the environment, provided that mitigation measures are implemented, and a Mitigated Negative Declaration (MND) was prepared. On November 28, 2018, the Planning Commission approved a Resolution adopting the prepared MND for the project. A copy of the filed Notice of Determination for the MND is included as **Attachment 4**.
