Monthly Activity Report for City of Rialto Waste Management Services

(RECEIVE AND FILE)

BACKGROUND:

The City of Rialto Municipal Code Chapter 2.24 establishes and defines the Rialto Utilities Commission. The responsibilities assigned to the Commission include acting “as an advisor to the City Council and City Administration regarding solid waste policies, recycling, source reduction, and other related state mandates.” This report provides general information to the Commission on the activities and events for the Public Works Department’s Waste Management Division.

ANALYSIS/DISCUSSION:

Items relating to the City’s Solid Waste Management services and of interest to the Commission are as follows:

- **Hazardous Household Waste -**

During the month of August:

- 243 residents served
- 390 gallons of used motor oil,
- 4 pallets of paint,
- 5 drums of miscellaneous poisons and other toxic liquids,
- 8 barrels of sharps, including needles, lancets, and syringes used by residents for their home healthcare and medical needs.

During the month of September, the Household Hazardous Waste site was open on 13th and 14th and will be open again on September 27th and 28th from 8 am until 12 noon.

- **Burrtec Waste Tonnage Report** - The report for June 2019 is attached to this report for your review.
