Monthly Activity Report for City of Rialto Waste Management Services
(RECEIVE AND FILE)

BACKGROUND:

The City of Rialto Municipal Code Chapter 2.24 establishes and defines the Rialto Utilities Commission. The responsibilities assigned to the Commission include acting “as an advisor to the City Council and City Administration regarding solid waste policies, recycling, source reduction, and other related state mandates.” This report provides general information to the Commission on the activities and events for the Public Works Department’s Waste Management Division.

ANALYSIS/DISCUSSION:

Items relating to the City’s Solid Waste Management services and of interest to the Commission are as follows:

- **Hazardous Household Waste -**

During the month of January:

- 359 residents served
- 585 gallons of used motor oil,
- 11 pallets of paint,
- 15 drums of miscellaneous poisons and other toxic liquids,
- 13 barrels of sharps, including needles, lancets, and syringes used by residents for their home healthcare and medical needs.

During the month of February, the Household Hazardous Waste site was open on 14th and 15th and will be open again on December 28th and 29th from 8 am until 12 noon.

- **Burrtec Waste Tonnage Report** - The tonnage report for November 2019 is attached to this report for your review.

The following documents were not available when the reports were prepared and will be presented on the night of the Utilities Commission Meeting.

- Burrtec Commercial Recycling Report - January, 2019
- Burrtec Scavenging Report - January, 2019
- Rialto Code Enforcement Scavenging Report - January, 2019
